IT'S ALL HERE

Hey Baby,
Don't got your hopes up, but maybe, just maybe, I'll let you see the hairs on my chest. It would of been more fun in Gym if we would of done more things but it was fun having you in there. Good Luck & have fun this Summer
love, Dan Rosman

Sue,
You a wonderful person and I enjoyed having you next to my locker. Stay

What can I say more than I love you. I love you more than anything in the world. I love the way we have a good time together and the way we look at things. I love the way we always have a real conversation about the good times and the bad times. I love the way you are there for me no matter what. I love the way you always make me feel special. I love the way you are always there for me. I love the way you are always there for me. I love the way you are always there for me

Sue,
To a really
Sweet Girl I met
not too long ago. We've
had alot of fun times with
You & Mark, & had me & Randy
hope to have more fun
times this summer.
Good luck & have a nice
summer! Call me sometime: 757-7893

Luv ya "81" I hope!

P.S. Hope you have
fun when you
get out of school, and
You & Mark be good!

Sue,
It's been really
good knowing you
this year. You are
a really nice person,
a little crazy some-
times, but nice. Just
think, we don't have to
put up with Mr. Dollis'
dumb stories twice in
a row. Good luck with
Mark and with everything
that you do.

Love
Dee

Suzanne Tibbert

Sue,
It was
great in powerpuff
I'm glad we won. We
had such a riot. It's been
enjoyable knowing you Hope
you enjoy it out west because I
know it will!
Take Care
God Bless
Good luck
Love
Terri Schaffer
'82

Sue - 6/23/79

It's been fun and very
important. Always remember
the times you made-fun
of Mr. Dollis.

Best Regards,
Jim

Sue,
We weren't
to close this year
but I know that
we're still good friends
Everyone says you're cute
and so do I! My gosh you've
so cute. Have fun in life
and I hope I see you this
Summer!

Love Ya lots
(I do!)

Keep
Pushin'

'79

Sue Thibert
you're A True Friend. I'm very glad I knew you
I may not see or talk to you alot but I do think of
you often. Remember playing Backgamon & Bunisco world
Record game & Te Hot chocolate and all Te other fun
things weve done As Friends. and when we double dared
to Te movie and I went with Sonny That was Truly
a night Ill never forget. I still think back and
am saddened by Te way Things Turned out. but Life
goes on and I hope yours is a good one.
good Luck with Mork(he's really a nice person)
I hope to see you through Time.
your friend
Tim Smelis

P.S. Dont
Be A
Stranger

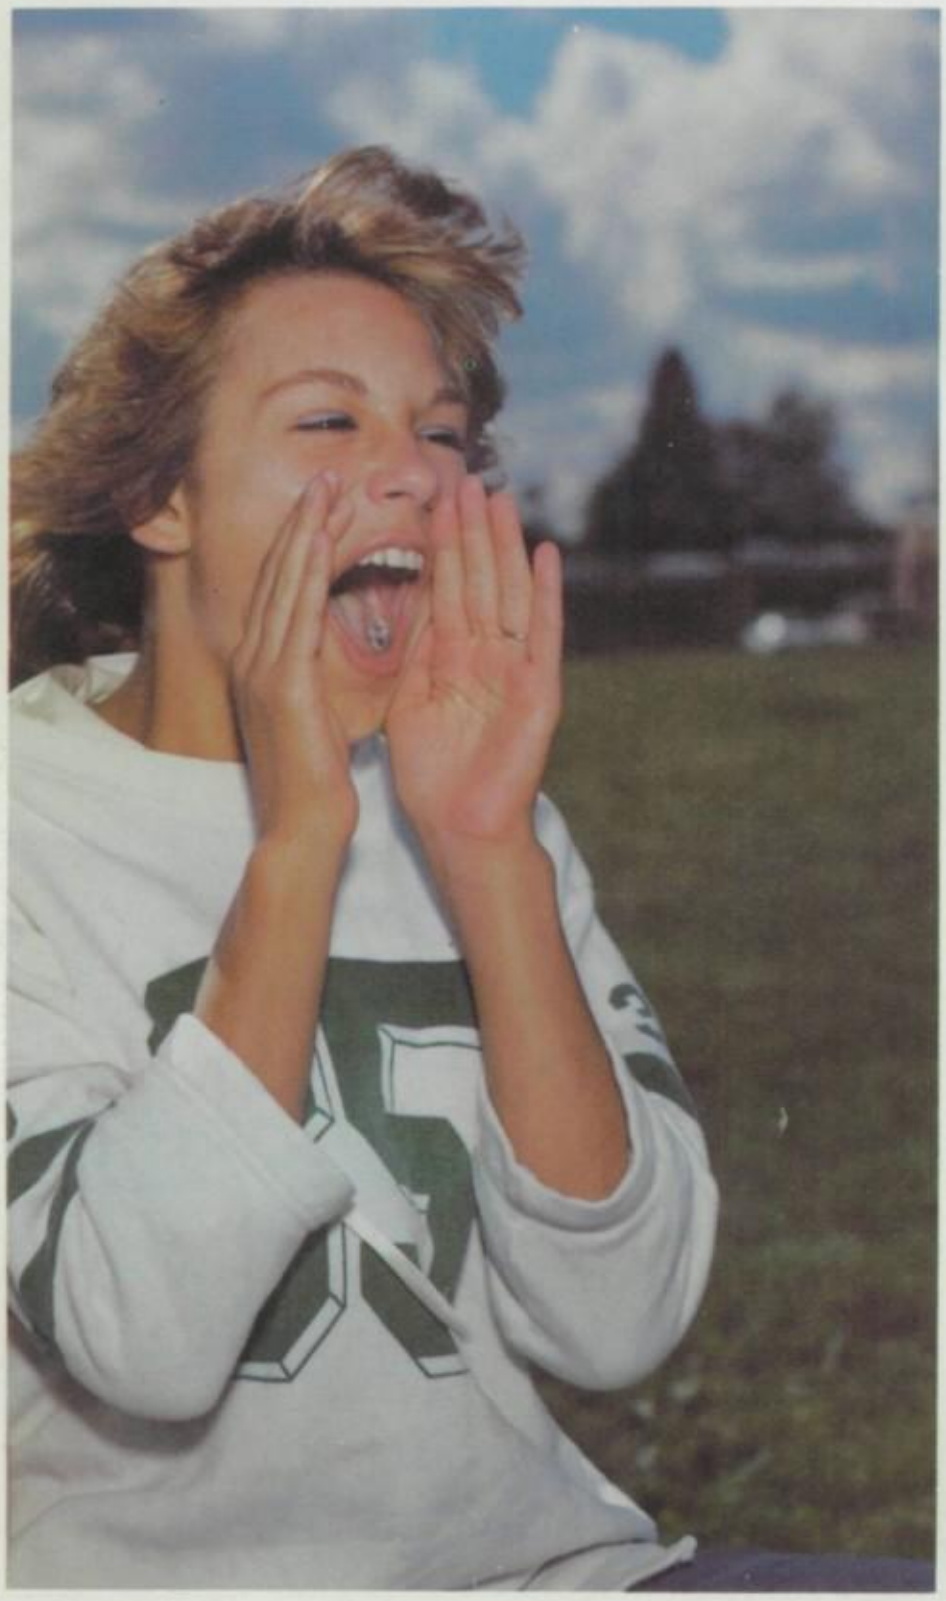
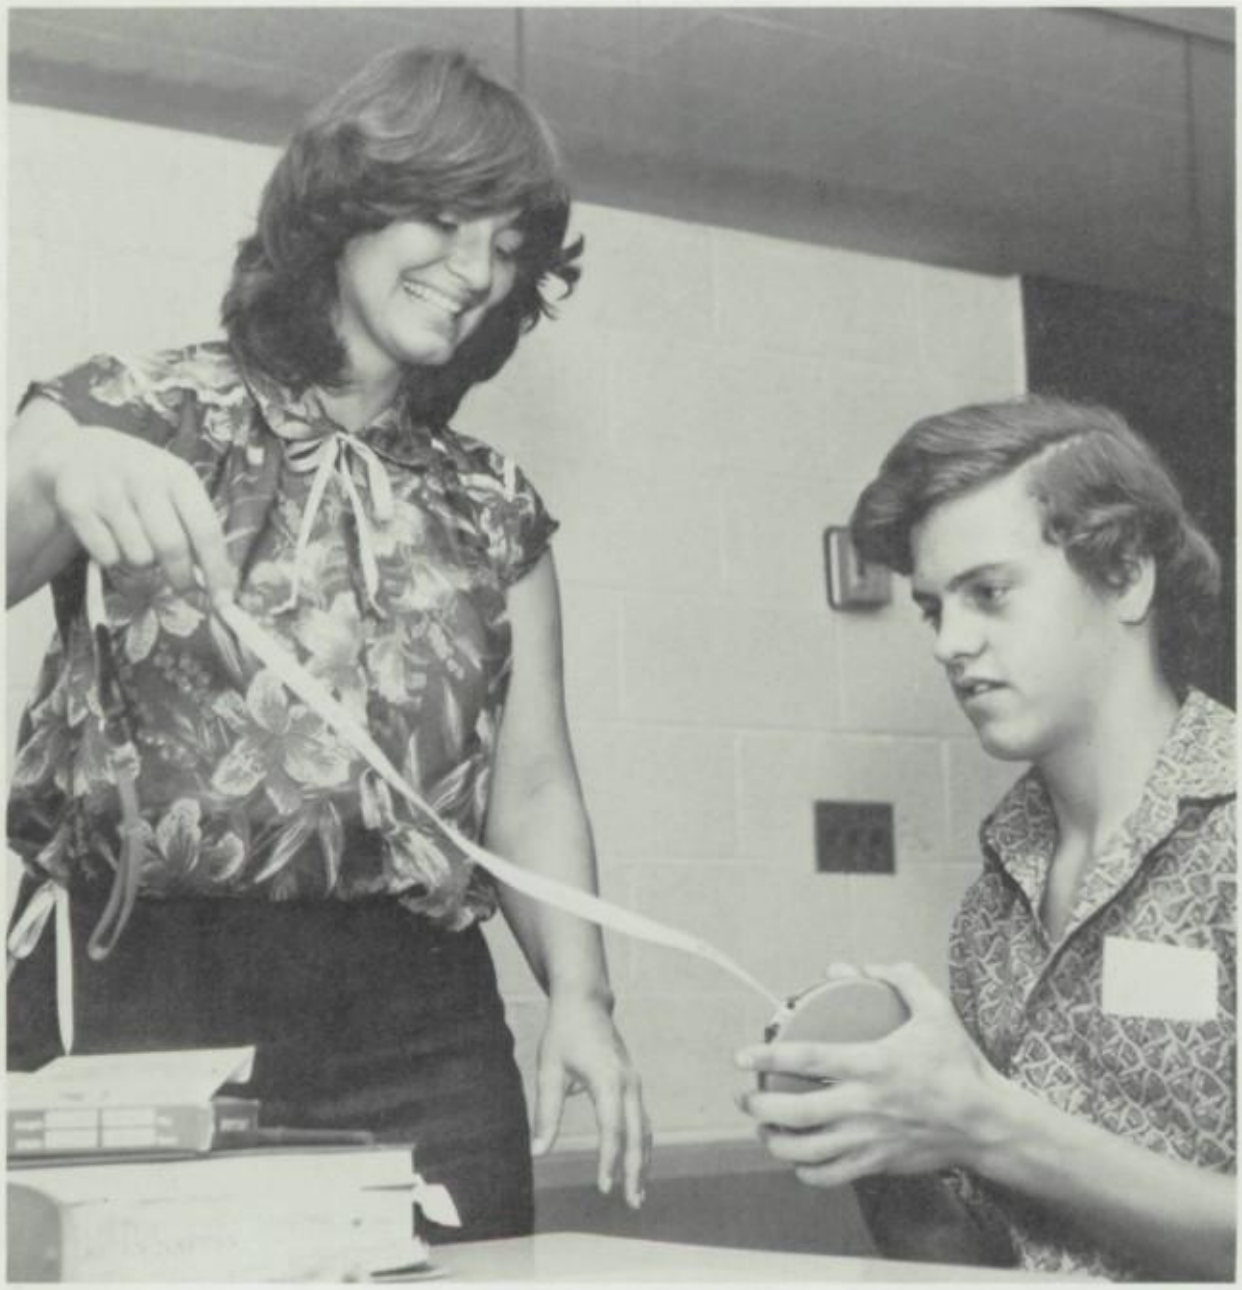
Activities Produce Excitement

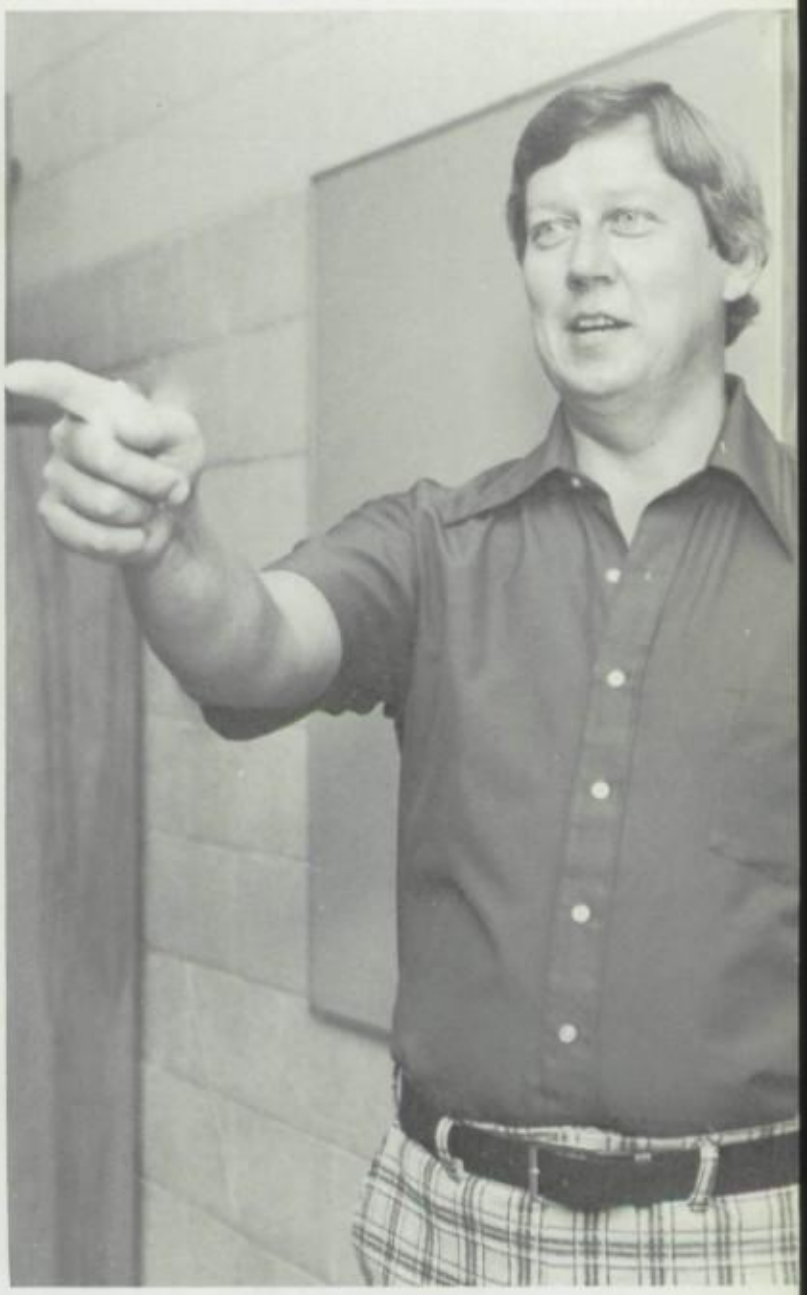
It is impossible to touch upon all of the things that make a school year exciting. Enthusiasm starts stirring in September with stimulating football, swimming, cross-country, and basketball teams. Club meetings, drama rehearsals and plays, changes in classes, pep assemblies and cheerleaders help to carry students and teachers through the rest of the year. When things start quieting down, someone is bound to start a bake sale, plan a water polo event, challenge the foreign language clubs to a volleyball tournament, charter a bus to Frankenmuth for a dinner, get a committee together to start decorations for a '50's dance, plan a festival or . . .



There Is Something for Everyone

The word diverse aptly describes the curriculum at Romeo High School. From chemistry to computers and languages to mechanics, the wide variety of educational opportunities allows students to pursue the things that they find most interesting. There are also many extracurricular activities such as water polo, tennis and language clubs to name only a few. Assemblies, plays, art shows and concerts are but a few of the other events that make Romeo High School a busy and constantly challenging place.





It's A Beautiful Place

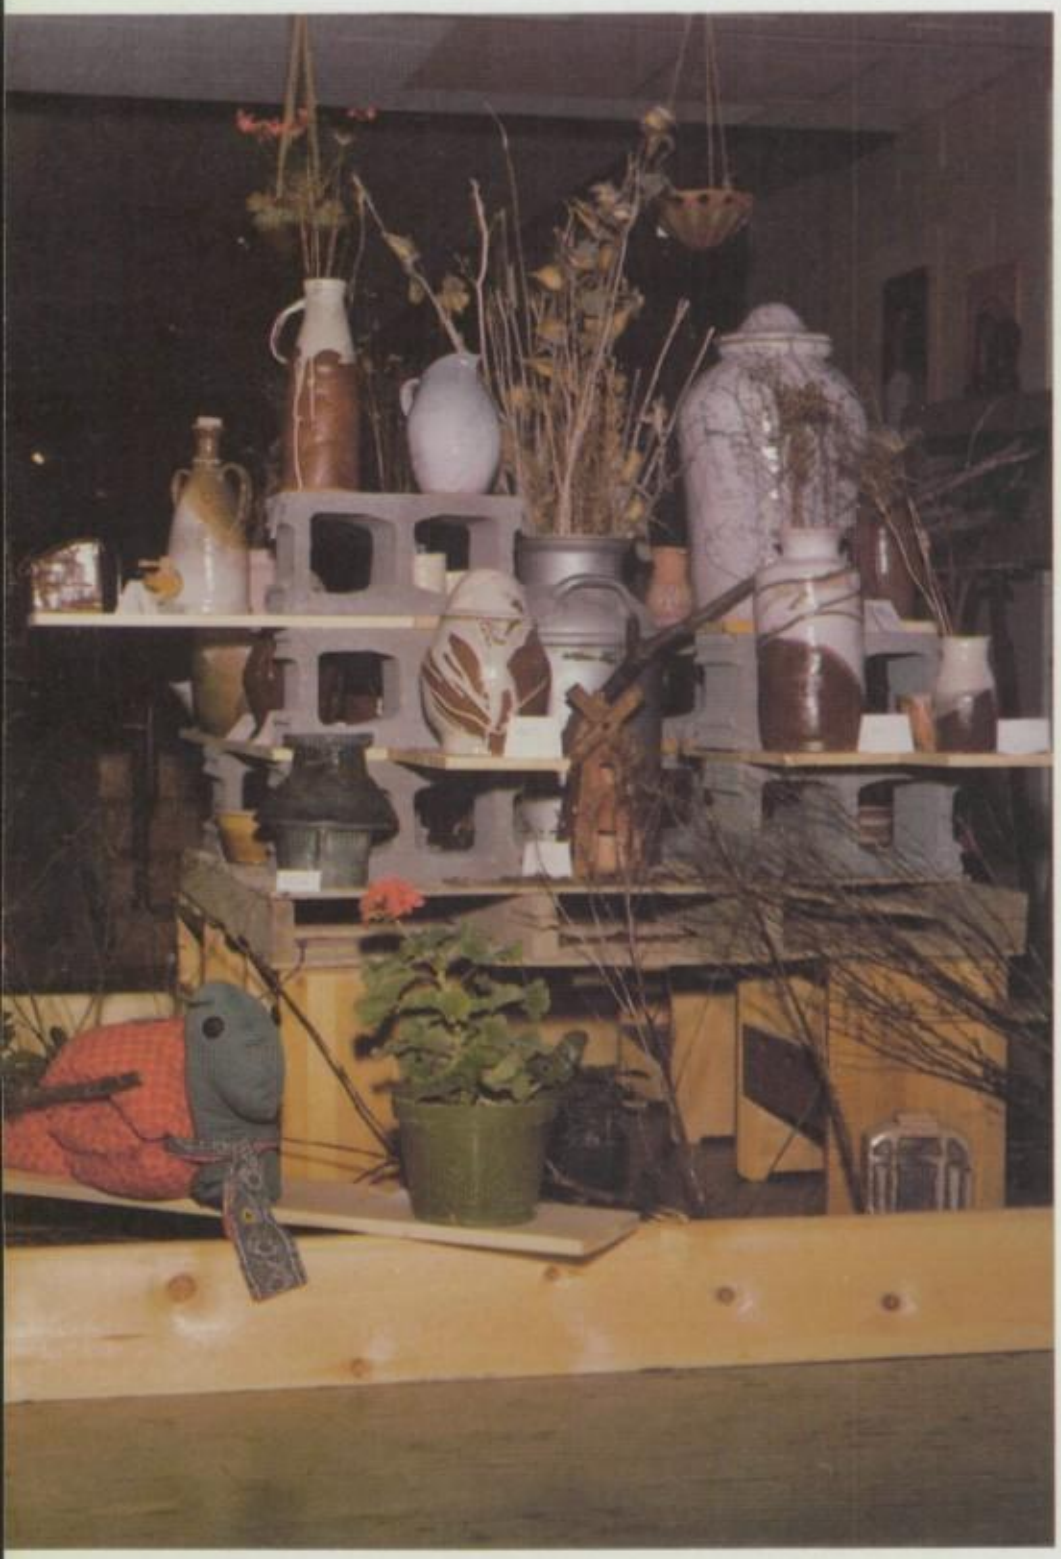
The grounds surrounding Romeo High School contribute much to the curriculum. While providing a pleasant view for some, it helps provide a valuable learning experience for others. The Biology II, as well as Applied Geometry classes, use the outdoors to help give them a better understanding of the subject as well as the chance to apply certain concepts. The grounds, partially maintained by the agriculture classes, are also used by the physical education department for daily activities. The marching band utilizes the out of doors to practice their formations and halftime shows. Whether used for educational purposes or for relaxing at lunch time, the area around Romeo High School provides a pleasing environment.

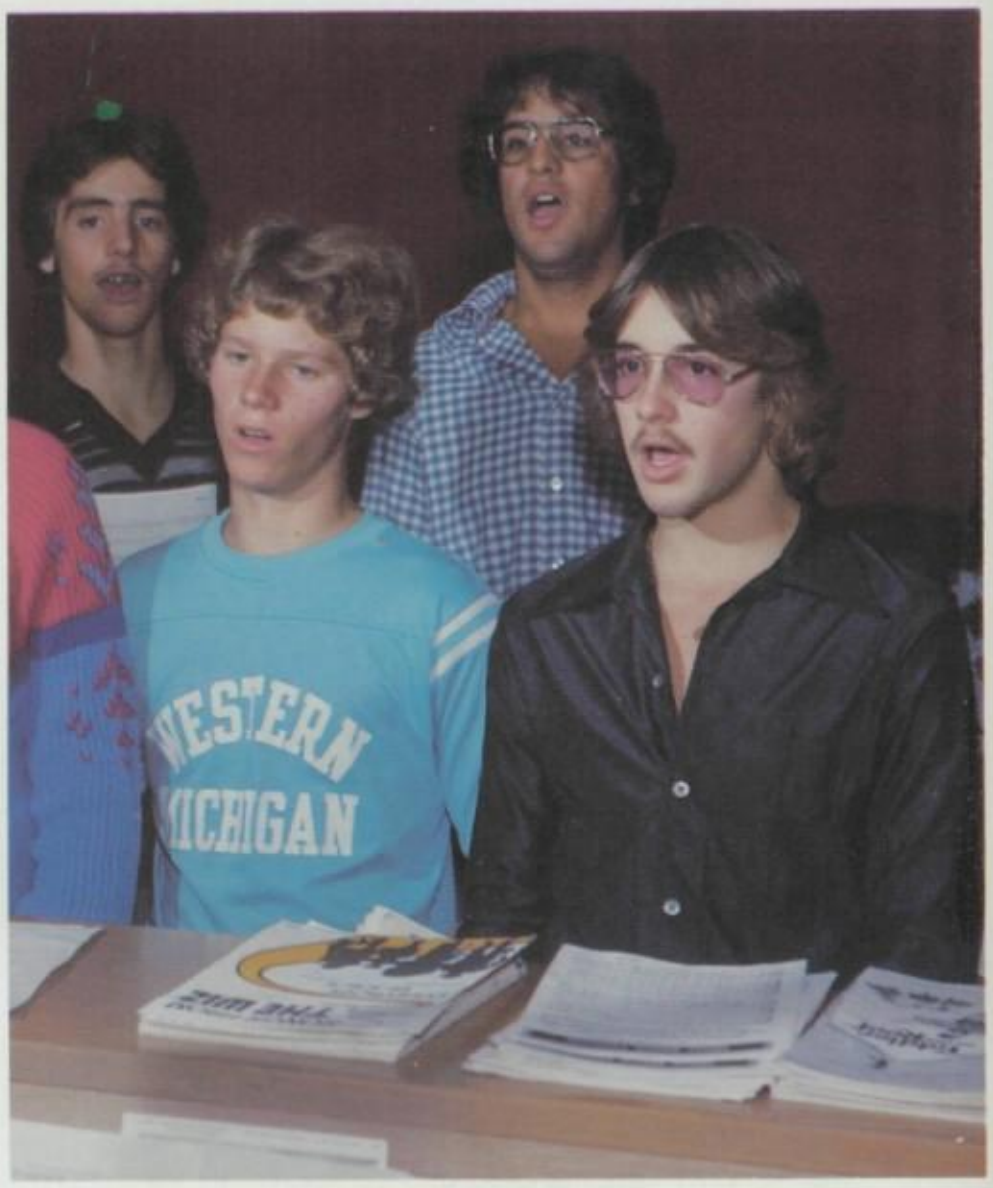
There Are Many Challenges

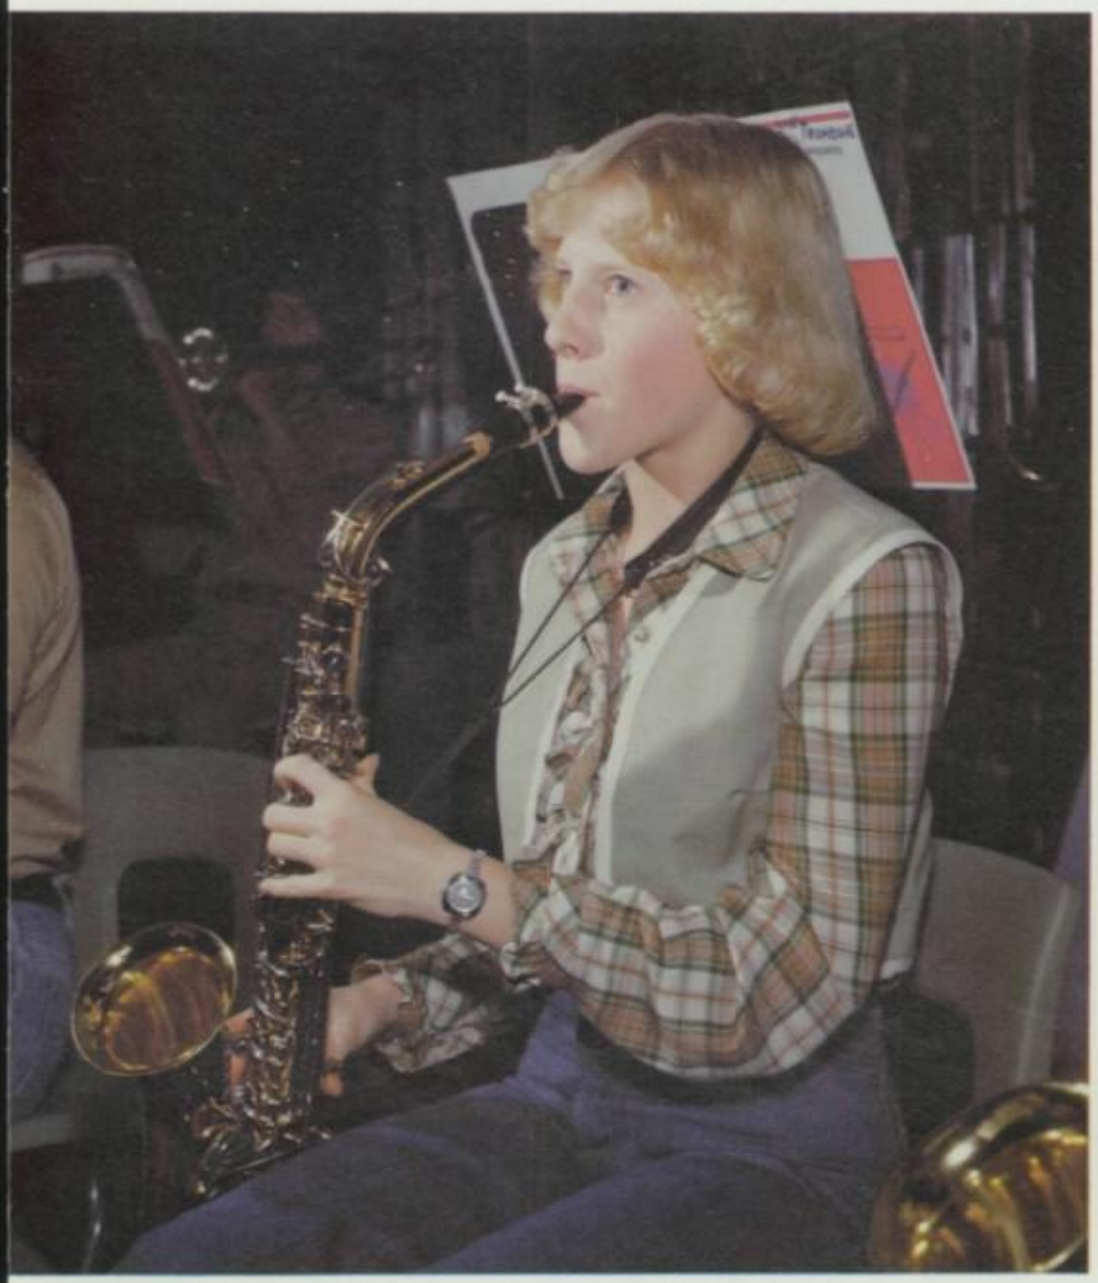
Unlimited opportunities await the students of Romeo High School. From the challenge of modern computers to the experience of club participation, activities abound to stimulate the student to excellence. Classes such as Electronics, Zoology, Calculus, Tennis, Sociology and Conservation are available to provide the opportunity to explore career choices as well as provide the skills necessary to pursue them. The classes and activities students participate in now, will enlighten their high school years and broaden their knowledge.

Talent Abounds Here

From creative art students to tumbling gymnasts, the talent at Romeo High School is endless. Musically gifted students excell as both vocalists and musicians, and students who long for the stage have the chance to fulfill this desire. Their talents provide excellent entertainment for the community through concerts and plays. Talent is not confined to the fine arts though. Many students have a special knack for foreign language. Others excell in advanced science and math courses. Some students have the ability to turn the written word into a masterpiece of prose or poetry. At Romeo High School students have the opportunity to define and refine their individual talents.

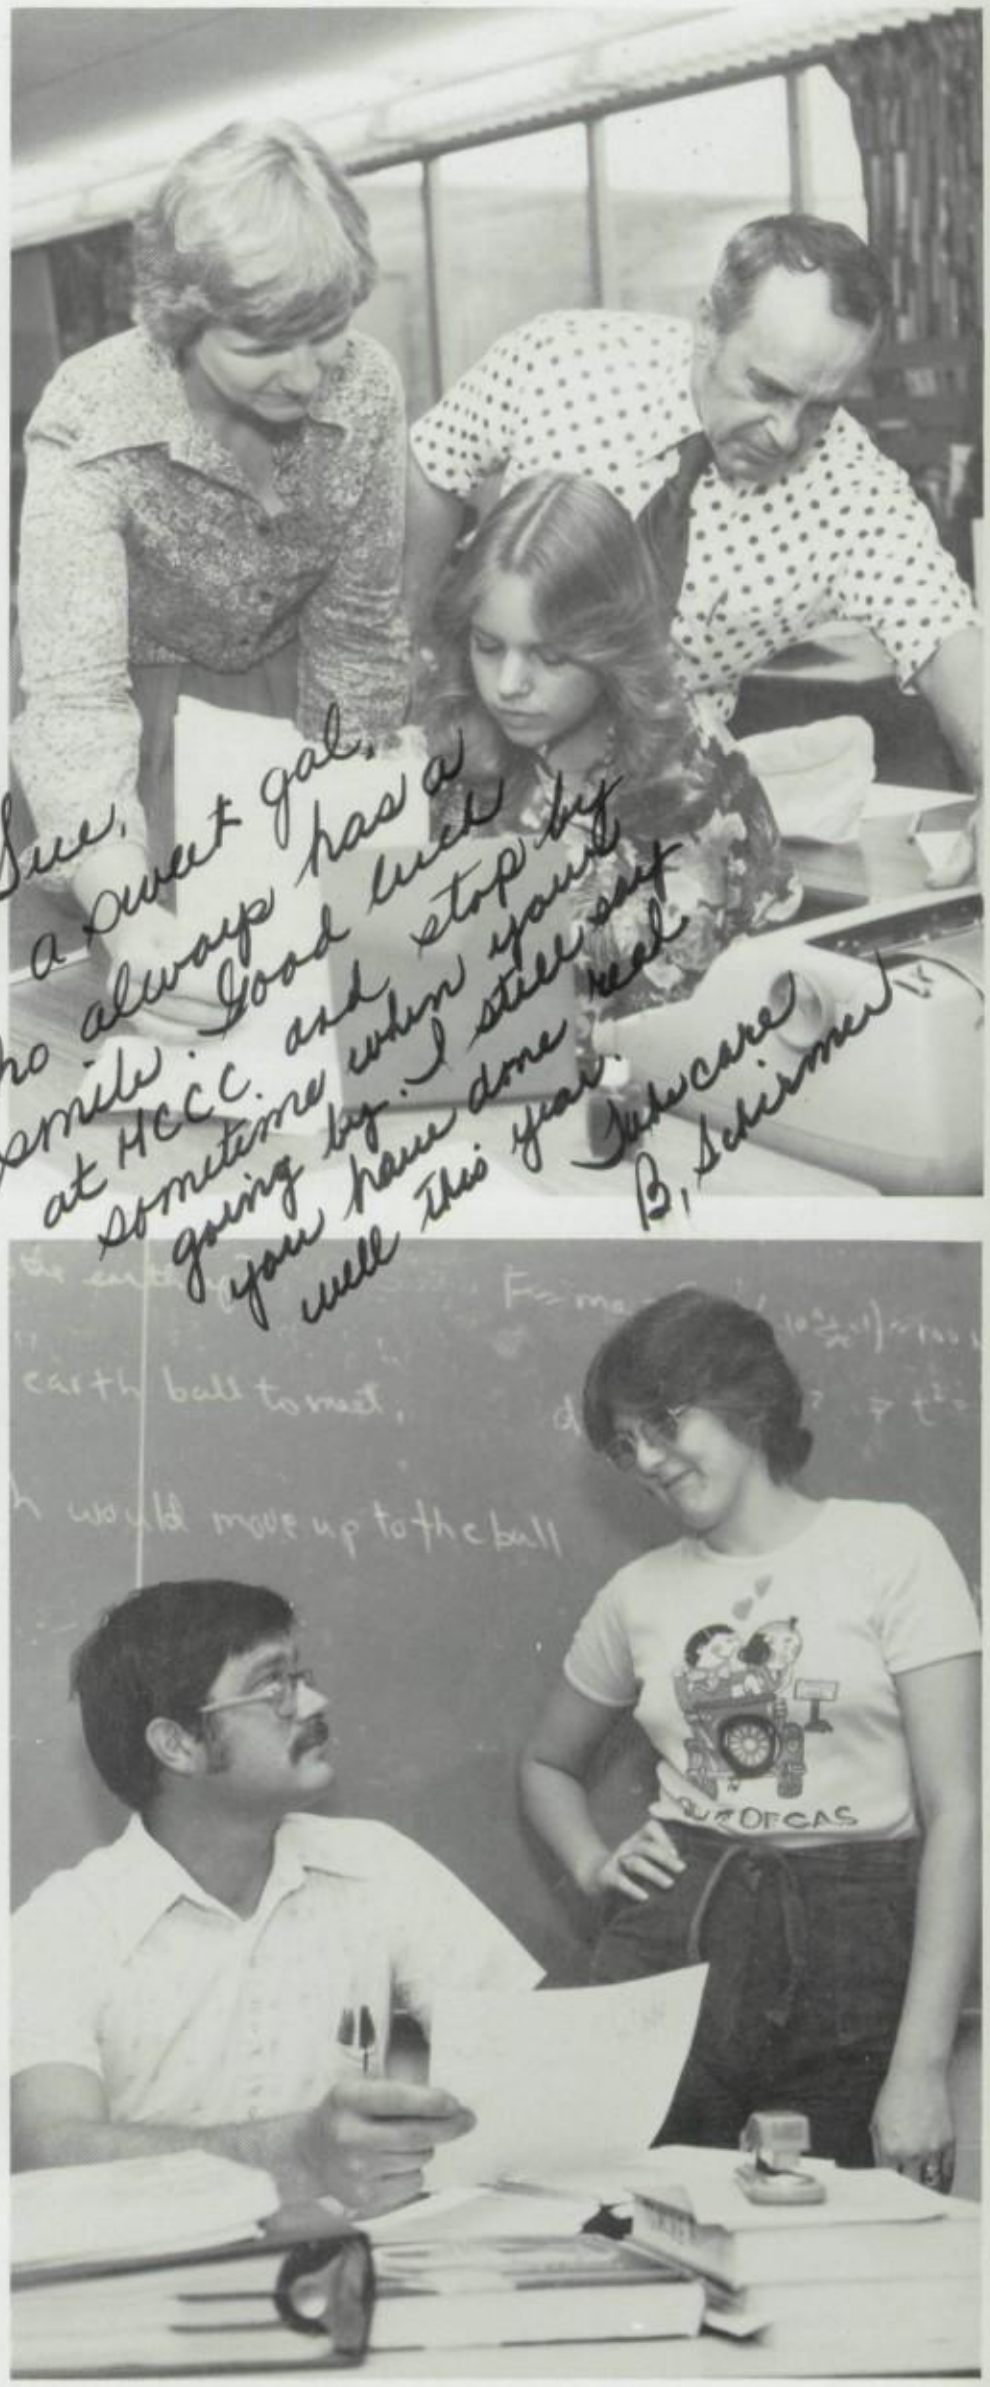


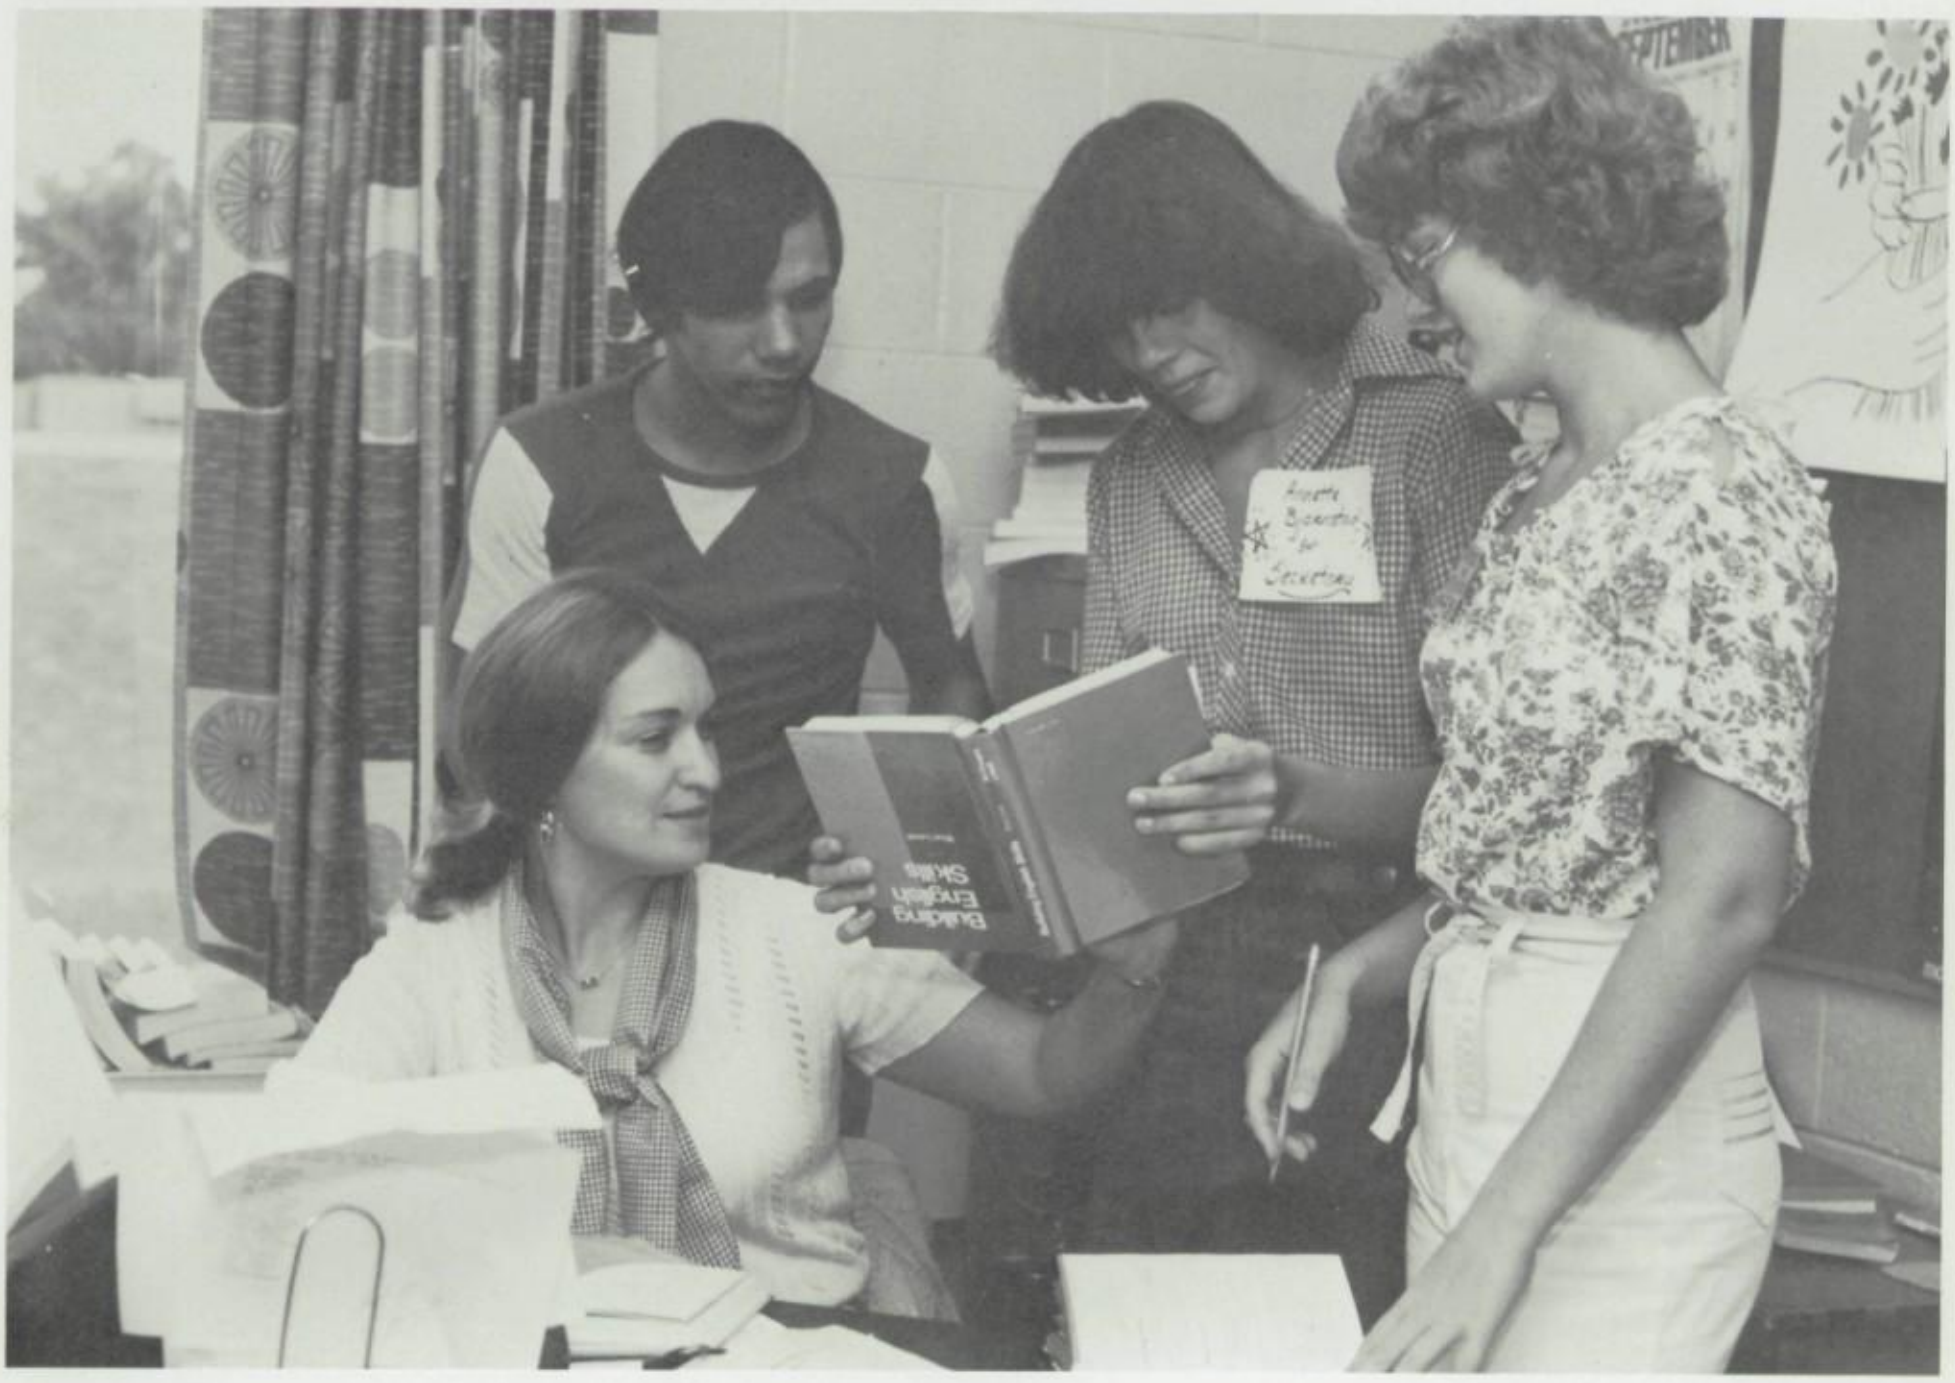




It's Not Always Peaceful

Life is not always tranquil and days at Romeo High School are no exception. The halls, lunchroom, and even the classrooms are sometimes the scenes of chaos. Confusion results when scheduled events are cancelled. In addition, calculus and physics produce many looks of puzzlement. However, this uncertainty is all a part of growing. The chaos eventually subsides and from it we learn much about ourselves and gain a greater perception of the ordinary events which make up our lives.





Building English Skills

RHS: It's All Here

All of the excitement, confusion, talent, opportunities, and other activities wouldn't be possible without people. People make everything work. If there weren't principals, teachers, maintenance crews, cooks, secretaries, coaches, counselors, seniors, juniors, and sophomores, R.H.S. could not function. It's like one enormous chain. If one of the links was removed, disaster would surely strike. It takes cooperation on everyones part to maintain this pleasant atmosphere. The following pages show the people who make R.H.S. a very special place.

Disney Descends On R.H.S.

Spirit Week began on Monday, October 2, with students painting windows, finishing floats, and dressing up in assorted costumes. The theme for this year's Homecoming was Walt Disney. The weeks events led up to the football game against Romeo's traditional rivals, the Utica Chieftains. Romeo beat Utica 28 to 6.

During halftime, the Queen's court was presented and it was announced that Melanie Theut was chosen as Queen. Halftime entertainment was provided by the Romeo High School Marching Band under the direction of Mr. William Middleton.

The Junior class captured first prize in the float competition. In the school window competition, the Senior class took first place. The windows in town were painted by many classes and clubs. The pep band took first place in that competition.

PAGE 19: TOP RIGHT: The winning downtown window was painted by the Pep Band. TOP LEFT: In keeping with the Walt Disney theme, the seniors painted this winning window. BOTTOM RIGHT: Every year windows are painted and floats are built to generate enthusiasm for the homecoming football game.

R.H.S. Celebrates Its Victory

The 1978 Homecoming dance was a great success! This was the second year in which the DECA Club sponsored the dance. They took care of printing and selling the tickets, making refreshments, and hiring a band. As an additional attraction the DECA Club put together some fantastic decorations, which included ground fog and strobe lights. The band and the four hundred and twenty-five students who attended the dance contributed to the success of the evening. The dance was dedicated to the Queen, Melanie Theut, and her court. It was a fitting climax to the events of Homecoming week!

BOTTOM: The Homecoming Queen and her court, Left to Right: Mary Theut, Lisa Fielder, Kathy Giziński, Queen Melanie Theut, Ann Cnudde, Kim Weaver, Kim Calcaterra and Sheryl Massie.

Council Is Active

The members of the 1978-1979 Student Council had a very busy year. In the opening weeks of school they became involved with the planning of the annual homecoming activities. Throughout the remainder of the year the Student Council also participated in other areas of student government. The schedule for concessions and the sales of various items were arranged by the Student Council so that conflicts did not occur. They also coordinated other activities such as dances and assemblies. Students with concerns found that the Council was willing to investigate problems and suggest possible solutions.

Language Clubs Are Active

The German, French and Spanish Clubs all had busy schedules this year. They had bake sales, candy sales, and car washes to raise funds for their activities. These activities included field trips and visits to resturants such as La Bastille in Windsor, Ontario. The clubs also sponsored some "Foreign Language Gym Nights." Members of the three clubs participated in volleyball, soccer and other athletic activities.

Drama Club Does It Again

The Drama Club was, again, the largest extra-curricular group at the high school this year. Members planned and carried out a variety of fund raising activities. Proceeds from these activities were used to help underwrite expenses incurred by the club's two major play productions.

M*A*S*H* was the club's fall production. The play told the story of an army hospital during the Korean Conflict. Many weeks of practice, preparation, construction and determination made the play a resounding success.

Technicians Shine

The Audio-Visual Technicians and Computer Clubs have provided both education and enjoyment for interested students at Romeo High School. The Audio-Visual Technicians club is an organization which provides assistance to the community when lighting, sound or visual aids are needed for various activities. The Computer Club gives students the opportunity to work with computers and become knowledgeable in this area.

N.H.S. Means Achievement

The Romeo chapter of the National Honor Society is under the direction of Barb Wachowski and Greg Walters. Students with at least a "B" average may apply for membership in thier junior or senior year. Applicants are judged on the basis of academic achievement, character, leadership and service to the community. The final selection of members is made by a board of faculty members.

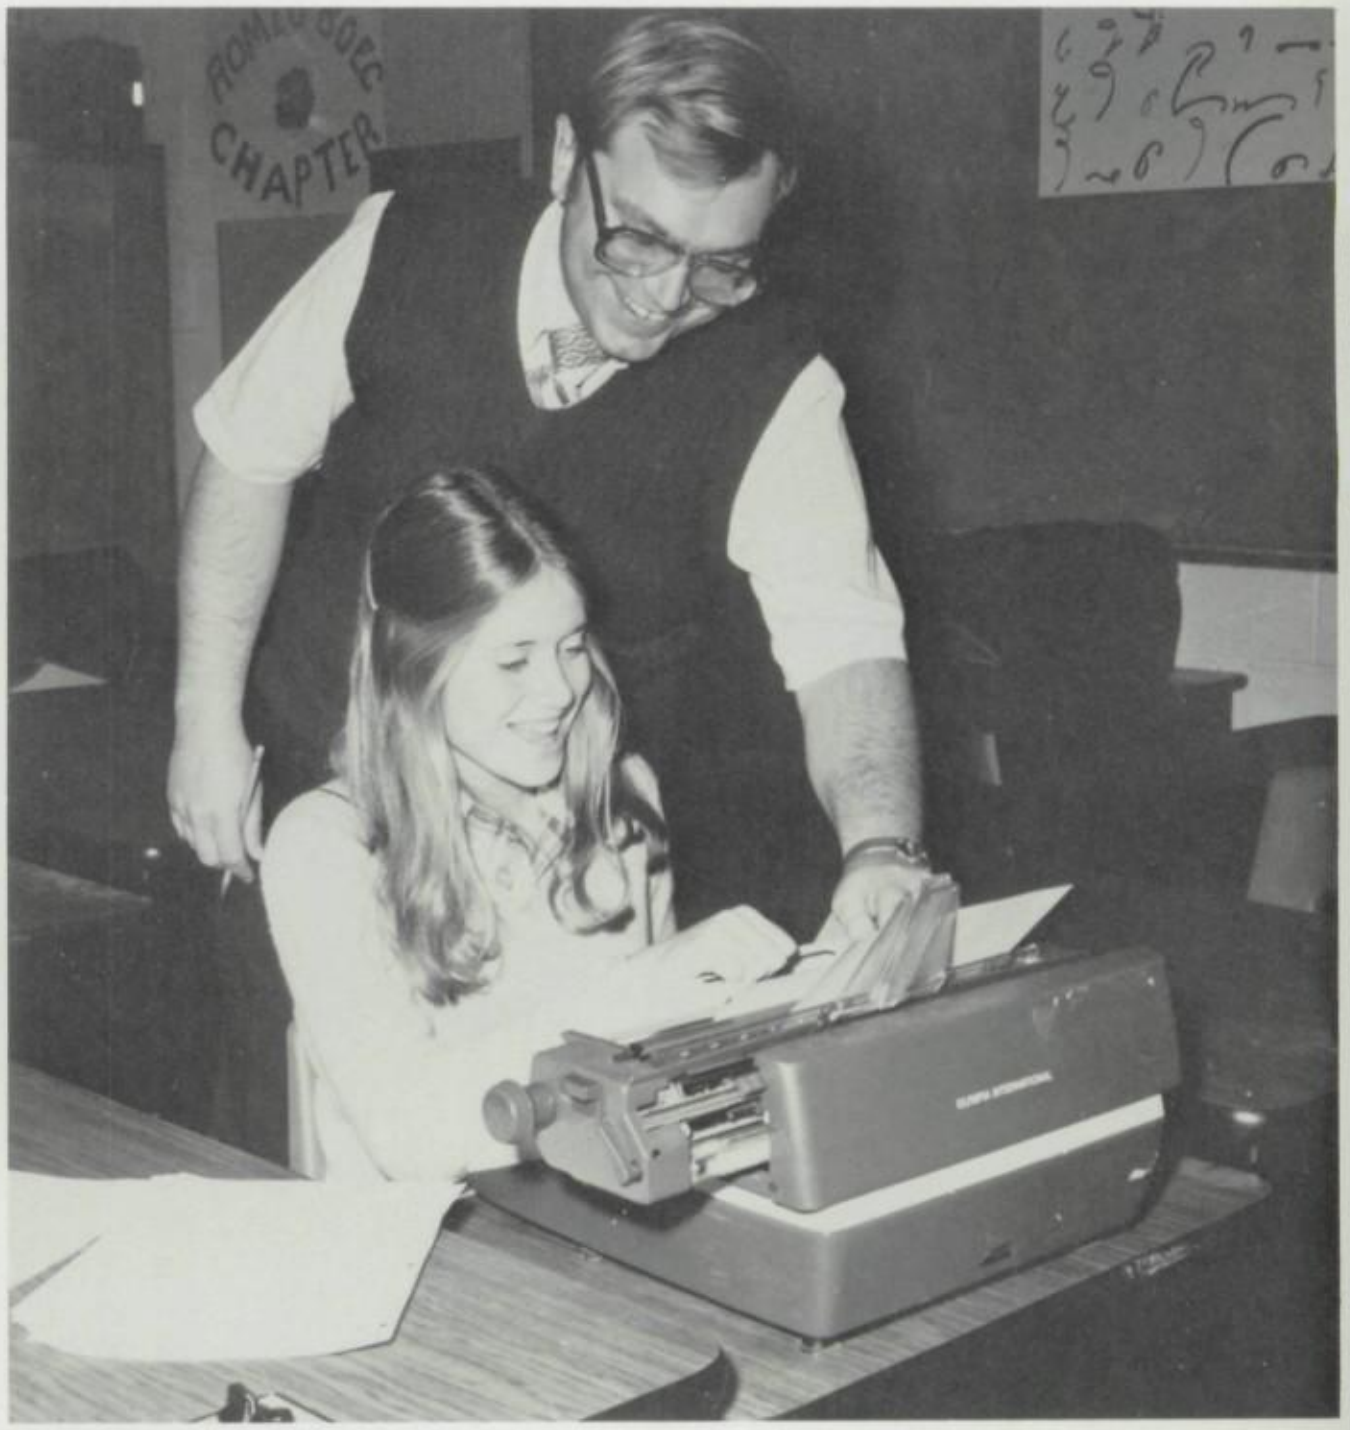
Growlerr Has a Face Lift

This year the Growlerr put on a new face. The paper, which came out on a monthly basis, saw a change in adviser and format. Erwin Slava became the adviser. The changes in the format of the paper included more pictures, smaller print, less pages, and the paper being folded rather than staple bound. The staff added sections called Barking Out, and Teacher Feature. They eliminated the feature page. Editor positions were changed from page editors to feature and news editors. A number of talented, hardworking, and creative people helped make the 1978-1979 Growlerr a success.



PAGE 32: TOP: Mary Theut receives instructions from Mr. Slava. BOTTOM LEFT: Growlerr editors: FRONT ROW: Marion Weidner, Carolyn D'Hondt, Jean Miller, Jenny Comann, Theresa McClary. Business Is Booming

The Romeo B.O.E.C. and D.E.C.A. chapters were among the more active groups in school this year. Among other things, both groups send members to association competition. B.O.E.C. members demonstrated their abilities in performing various office skills. Competition also included public speaking and interview techniques. Romeo hosted the regional D.E.C.A. competition. Students competed in the areas of retailing and merchandising.

The Band Plays on

Football season is always the Romeo High School Band's busiest time of year. Half time shows were developed by Mr. William Middleton, director. The band entertained spectators during half time at home football games.

In previous years, the band practiced at Memorial Field. However, this year, practice was moved to the field behind the Youth Center. The shows usually took eight to sixteen hours of preparation. The shows included music and various formations. The Romeo Marching Band has been known to practice through any type of weather, and their fine shows this year reflected that dedication.

PAGE 36: TOP RIGHT: Drummer Dan Ragnoni demonstrates his rudimental abilities. ABOVE: Diane Laurain concentrates on her music. BOTTOM RIGHT: Mr. William Middleton directs the band. PAGE 37: TOP LEFT: Bass Drummers, Cheryl Boncher and Bob Cameron keep up the band's tempo. TOP RIGHT: Drum Major, Matt Fletcher, keeps the pace. BOTTOM: The band keeps their attention on the game.

Musicians Perform Well

The R.H.S. Symphony Band, an organization of seventy talented musicians, participated in the Michigan State Band and Orchestra Association Band Festival and gave several concerts this year. Members of the band also entered many events in the MSBOA Solo and Ensemble Festival. Because of the increased enrollment at R.H.S. the band was put in the "AA" division and competed with several of the top bands in the state. Hard work and a lot of time went into producing their high quality music.

Concert Choir Celebrates In Song

This year's Concert Choir, directed by Mr. John Mitchell, worked very hard and produced many fine concerts. The choir had fifty five members, composed of sophomores, juniors and seniors.

The choir put on four concerts, and participated in two festivals. One of the festivals, The Macomb County Choral Festival, was hosted by the Romeo Concert Choir.

Debaters Take a Stand

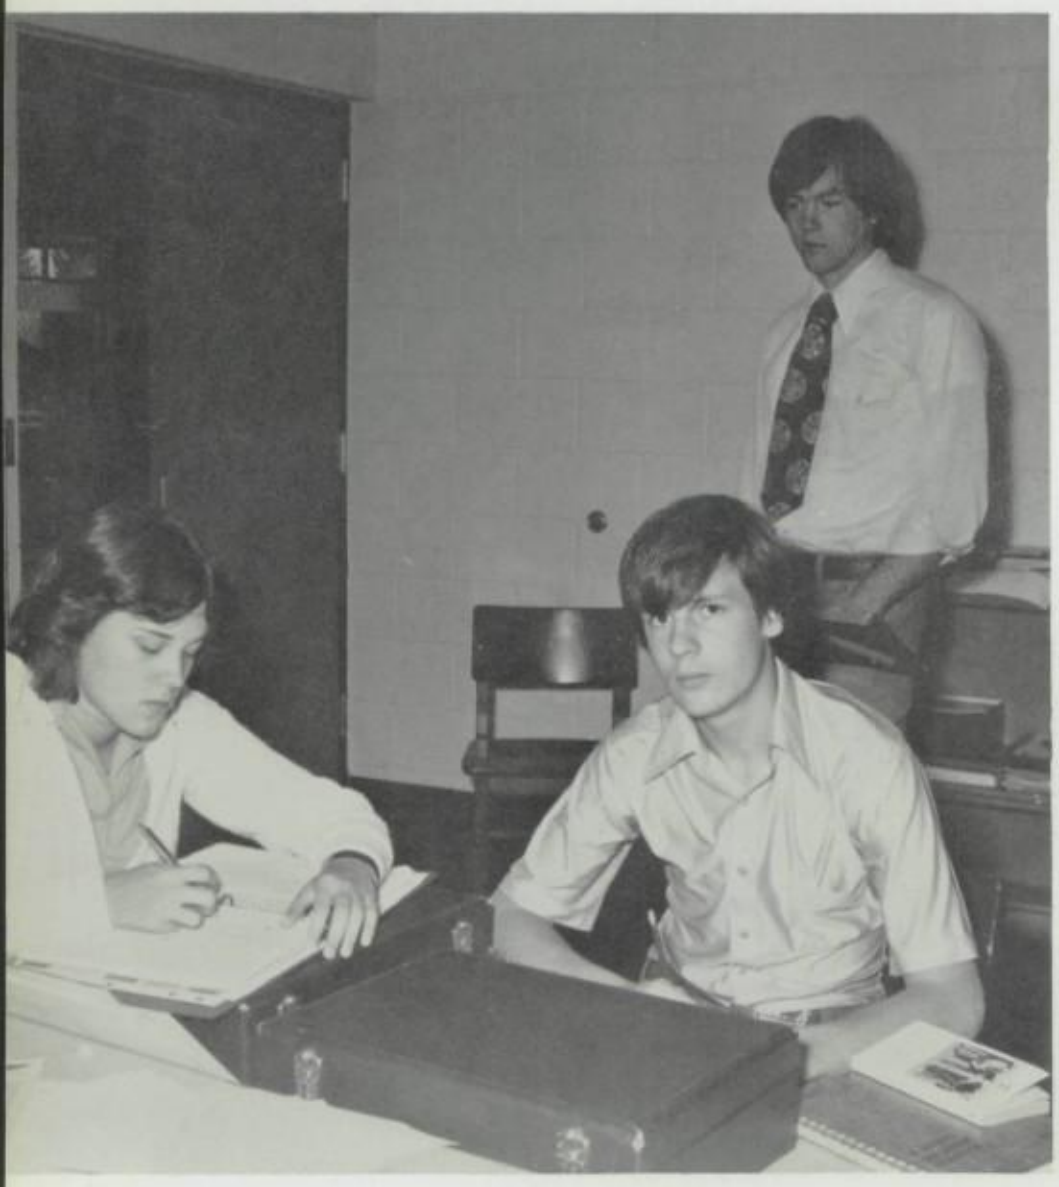
They slowly mount the platform and take their seats. Each one is reviewing the facts in his mind for the last time. No, they aren't facing a firing squad. They are debaters preparing to face the judge.

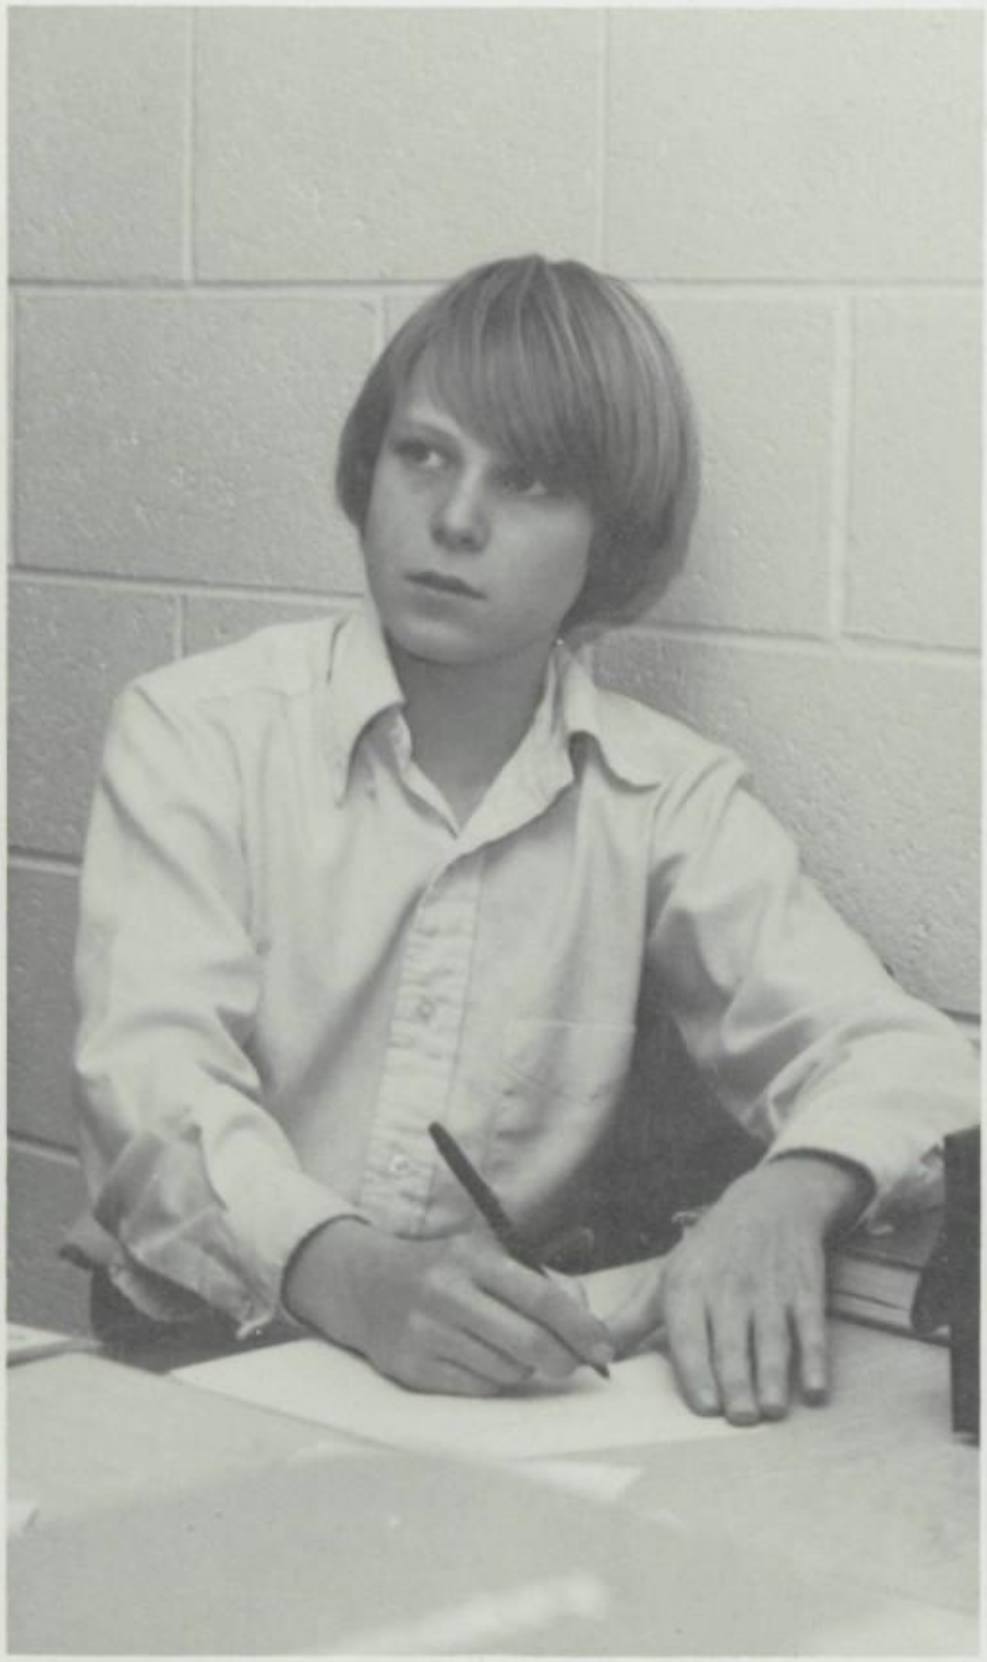
The RHS Debate Team had an encouraging record this season. With all new debaters, the team finished seventh out of twelve teams in the Middle Macomb League. Randy Garner added to this by achieving the most speaker points for RHS. He came in nineteenth out of sixty possible rankings. His partner, Kevin McMinn, placed eighteenth in the league.

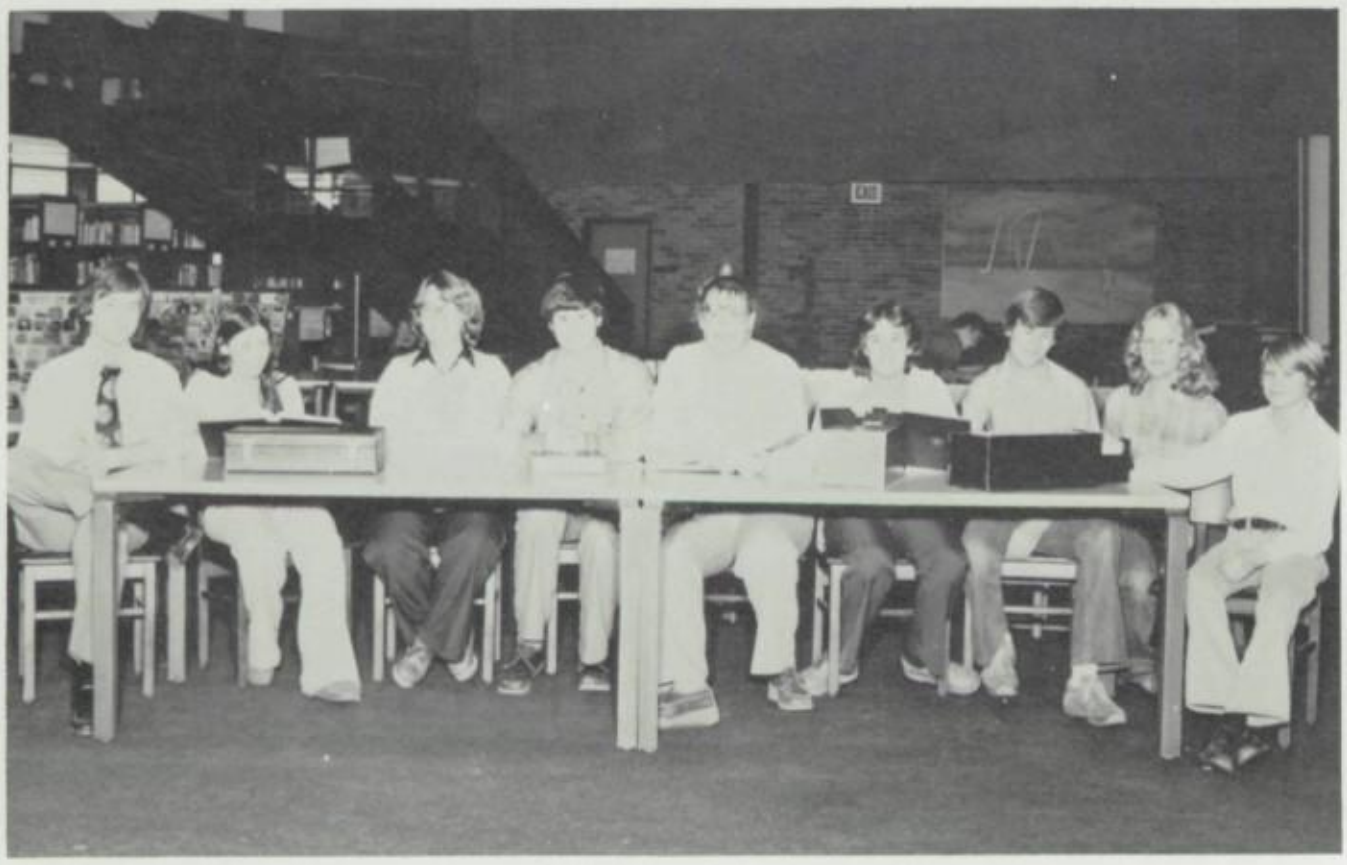
Lisa Campbell and Joan Venable won an unusual award in the Warren Woods Novice League. The girls gave the most unusual debate ever heard and they received a stuffed squirrel for their "nutty" case.

Diane Jarboe and Amon Kinsey also debated for Romeo and helped make this beginning team a winning team.

A debate begins when the affirmative team introduces the proposition to be debated. This is followed by rebuttals and question and answer sessions. Finally, each team summarizes and leaves the decision to the judge who may be as bad as a firing squad.





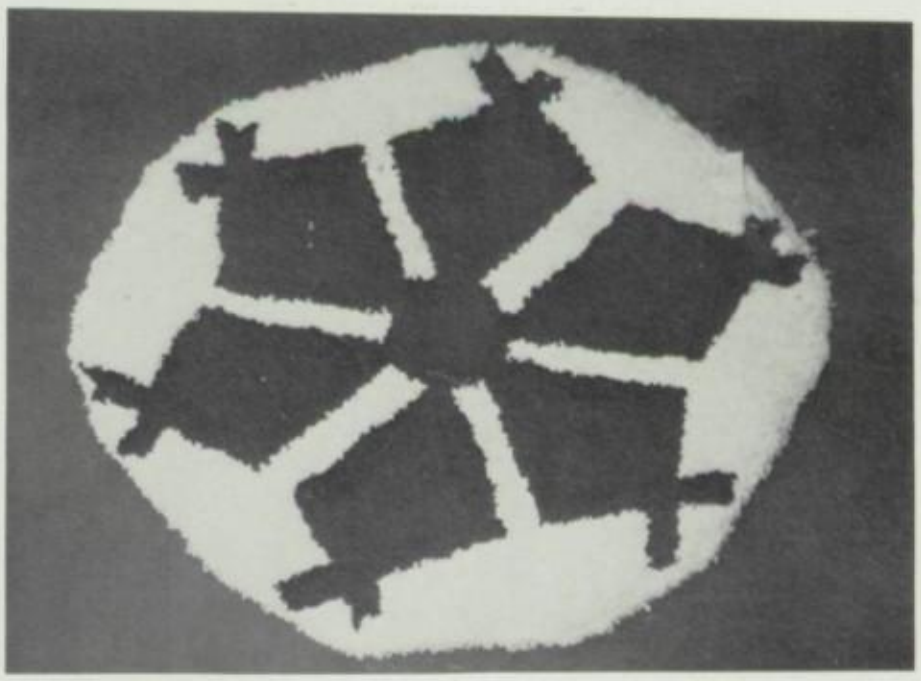


PAGE 42: TOP: Lisa Campbell takes notes while listening to her opponents rebuttal. BOTTOM LEFT: Mr. Franczk discusses strategy with Diane Jarboe and Amon Kimzie. Kinsey, B. Brodacki, R. Garner.

Festival Feeds The Senses

The Fine Arts Festival was designed to be a celebration of all the arts. Under the direction of Mary Eberline, the show began as "Art In the Park," a small festival held in the city park. It was at the high school in 1975-1976 and again in May of 1978. Miss Eberline believed that for the festival to be a success, the senses would have to be "fed." At the festivals there have been exhibits to look at; food to taste; music to hear; folk dances to participate in; and variety shows to enjoy.

Participants in the 1978 festival included the German and French Clubs, the FFA, and hundreds of music, drama and art students. As usual the festival was a huge success.



PAGE 44: TOP: Students enjoy a few of the hundreds of pieces of art displayed. BOTTOM: Many people enjoy the RHS Festival. PAGE 45: TOP LEFT: Bev Franz and Mr. Bauer show off the agriculture projects. TOP RIGHT: Lisa Rice and Dawn South sing for the variety show audience. BOTTOM LEFT: Onlookers enjoy the art exhibits. The Future Awaits Us

The Future Farmers of America are sponsored by Mr. Paul Bauer. Soil judging contests are one of the activities they participate in. The group also sponsors an annual Christmas Citrus Fruit Sale.

The Future Professionals of America group is sponsored by Mr. Don Seablom and Mr. Howard Bjornstad. The F. P. A. 's goal is to assist members in making career choices. Assisting at Parent-Teacher conferences is one of their activities.

Athletes Are Enthusiastic

The R-Club and G.A.A. are Romeo's longstanding athletic associations. The R-Club, sponsored by Coach Larry Dunn, is for young men who have received a Varsity letter. The G. A. A., sponsored by Coach Kay Nicholson has male as well as female members. The group sponsors gym nights and an annual conoe trip. Members are not required to have a Varsity letter.

High School Is Not the End

Since 1973 the Department of Community Services has been developing programs to meet the needs of the district residents of all ages. Currently, it offers programs and services to people ranging from Pre-School through Adult High Completion. Our goals are to provide educational, vocational, and enrichment services and to make the resources of the school district available to the community. We strive to do this independantly as well as in cooperation with other agencies, both within and outside of the district. We attempt to provide the most services, for the most people, in the best facilities for the smallest cost possible.

Three full-time and 90 part time employees commit their efforts and talents to make the Department of Community Services an integral part of the total school district program. Over the past six years we have had direct program contact with over 6,000 of the district's residents. Our wish is to someday be able to have touched all residents of the community with our service. May we be of service to you?

GRWBPRC Plans Many Activities

The Greater Romeo-Washington-Bruce Parks and Recreation Commission is provided for and funded by Washington and Bruce Townships. The ten member Parks and Recreation Commission represents the residents of Washington and Bruce Townships. However, its programs are open to all residents of the Romeo Community School District.

Now in its 11th year of operation, the Parks and Recreation Commission has evolved from a money provider to a program provider. Initially, the Parks and Recreation Commission distributed money to local groups to provide recreation for youth in the community. Since that time, the Parks and Recreation Commission has undergone many changes and now boasts a full time Director-Activities Coordinator, a part time secretary, and a Senior Citizen Coordinator.

Charged as the leisure and recreational activity provider, the Commission offers programs that have both educational and recreational benefits. Activities are offered for all ages. The preschool program and the senior citizens club are just two examples of Commission programs.

The Parks and Recreation Commission is committed to planning, offering, and evaluating programs in an effort to provide not only quantity but quality. The Commission attempts to reflect community interest through its ever increasing program offerings.

It's Where the Action Is

The shuffling of paper along with the tapping of typewriter keys, are the sounds heard when one walks into the main office at Romeo High School. The people who make up the staff of the office are constantly busy answering questions, running off dittos and doing the many other jobs that keep the school running. In addition, the office is where major decisions concerning the events that take place at the high school are made. When walking into the office, a person will always find a busy, fast moving, pleasant atmosphere.

PAGE 56: TOP RIGHT: Bettie Maynard, Secretary to the Assistant Principal, has a kind word for everyone. BOTTOM LEFT: Camille Deemer, Secretary to the Athletic Director, always wears a big smile. TOP RIGHT: Doris Rymmil, Secretary to the Principal, handles all of the accounting in the office. BOTTOM: John Allen, Assistant Principal, looks up from his work.

English Comes Alive

The English Department offered its students many enrichment activities this year. In October, eighty-three students made a trip to Stratford, Ontario to see Shakespeare's JULIUS CEASAR. In early May, the department sponsored a second trip to Stratford.

Novels were brought to life when all of the English classes viewed the film versions of GREAT EXPECTATIONS and THE COUNT OF MONTE CRISTO. As a special attraction, poet Max Ellison visited Romeo High School in March. He read some of his works and talked to classes throughout the day. With all of these happenings, the English Department at R. H. S. proved to be one of great interest in the 1978-1979 schoolyear.

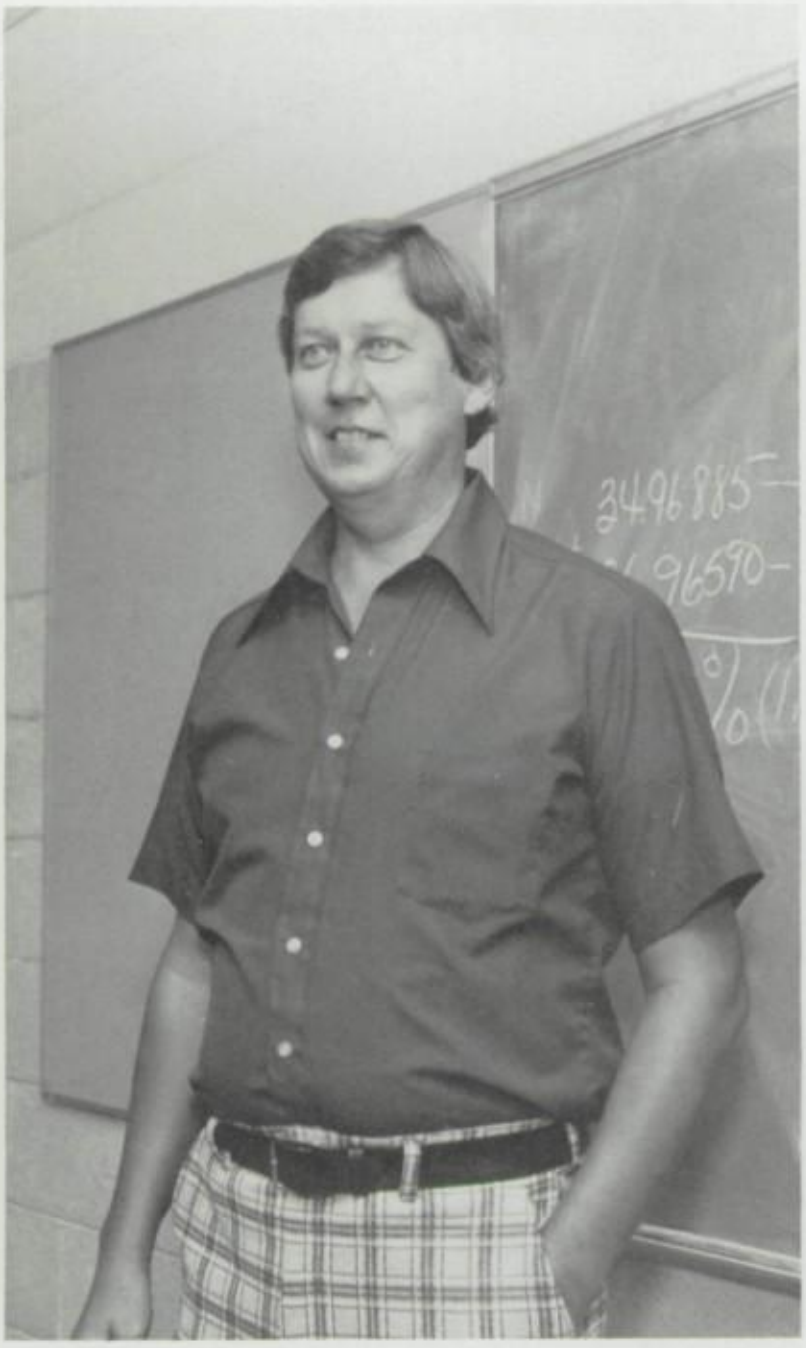
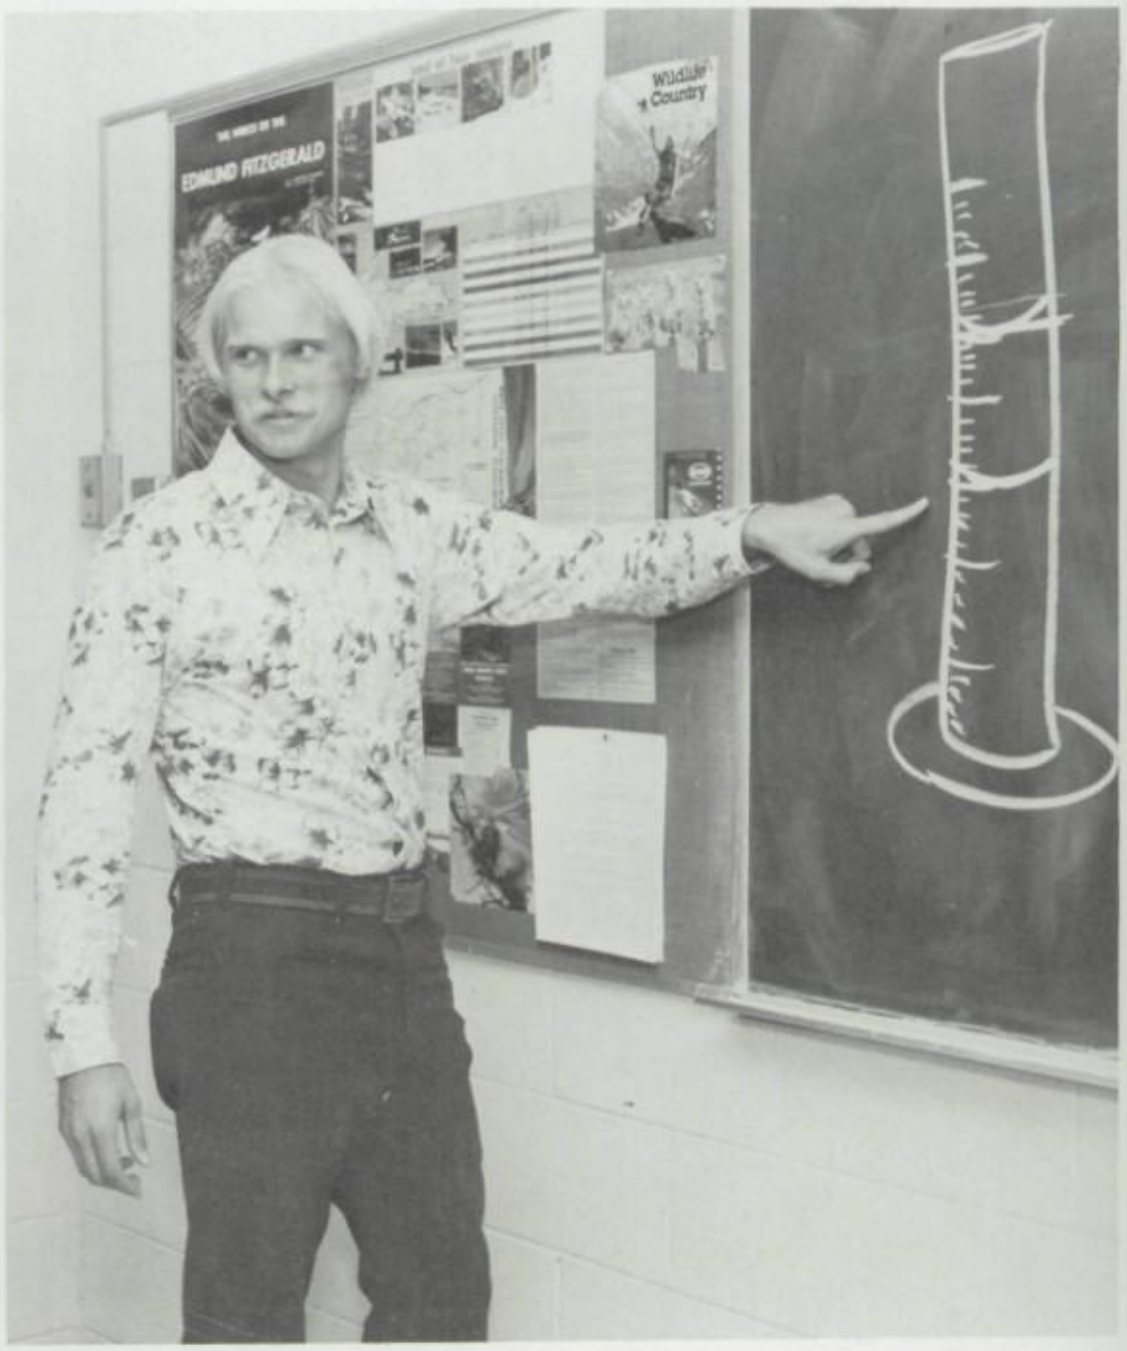
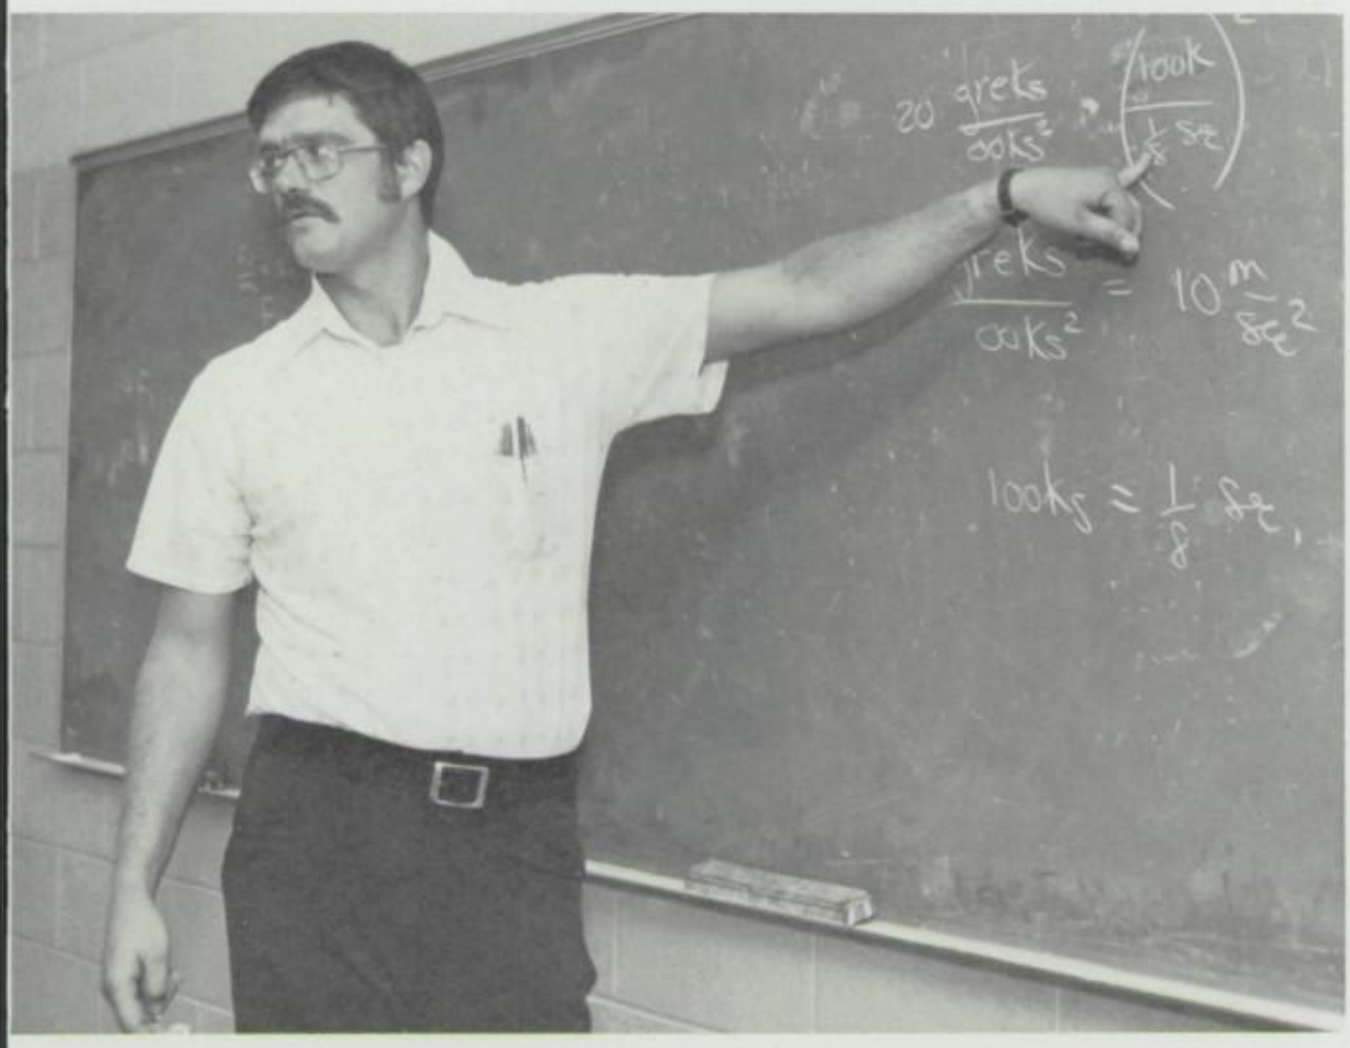
Zoology and Botany





Make an Appearance



The Science Department at Romeo High School added a few new courses this year. They were Zoology, Botany, Conservation and Practical Physics. Zoology, the study of animals and animal life, was offered first semester. Botany, the study of plants, was offered second semester. Conservation, the study of the environment, was offered as an alternate to the traditional Plant and Soil course.

Also adopted for Biology I were new books. These books were highly accepted by students and teachers alike.

Math Students Have New Courses

The Math Department has always offered a wide variety of courses ranging from Vocational Math to Calculus. In addition, two new courses were added to the math curriculum this year. Applied Geometry and Applied Geometry and Trigonometry were both developed and taught by Mrs. Debbie Ferry. These were designed for the student who wanted a geometry course but not necessarily the traditional geometry class. The addition of these two courses brought the math department offerings to a total of ten different courses.

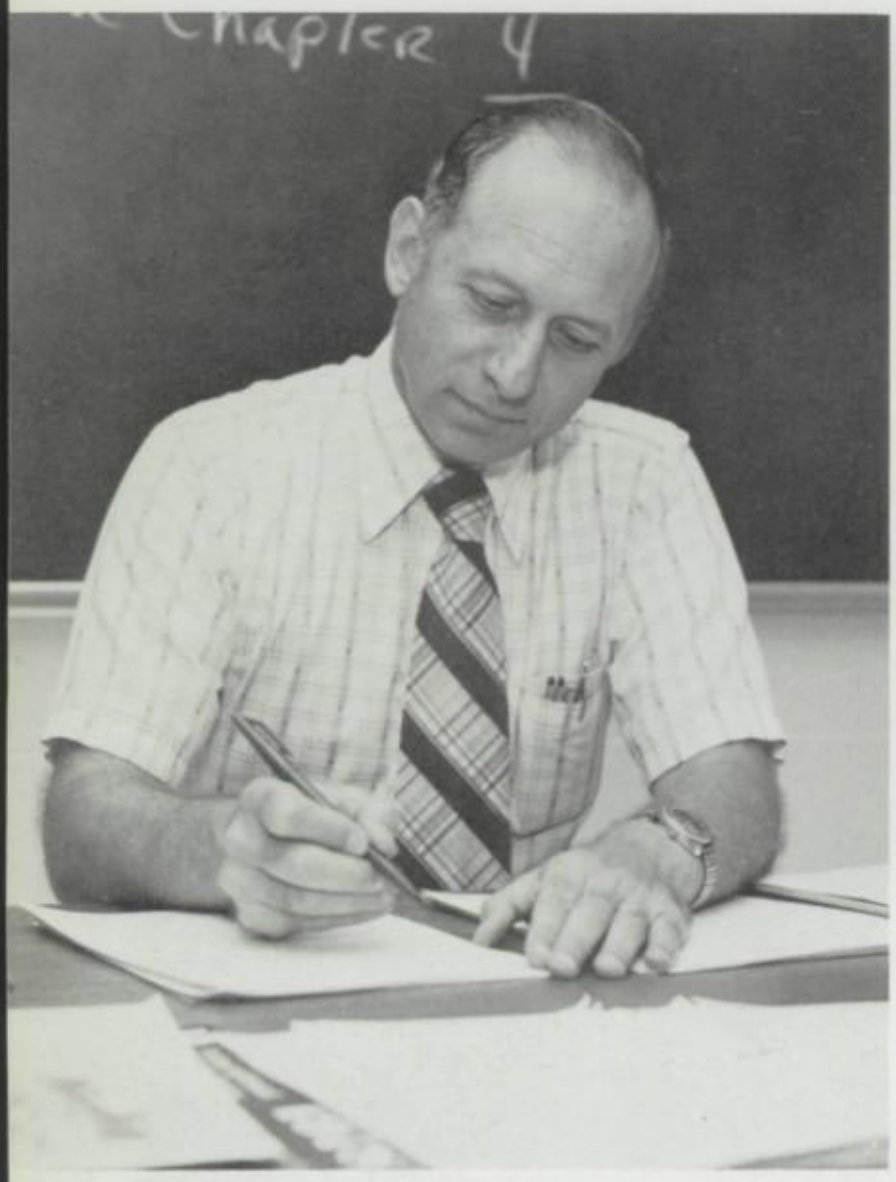
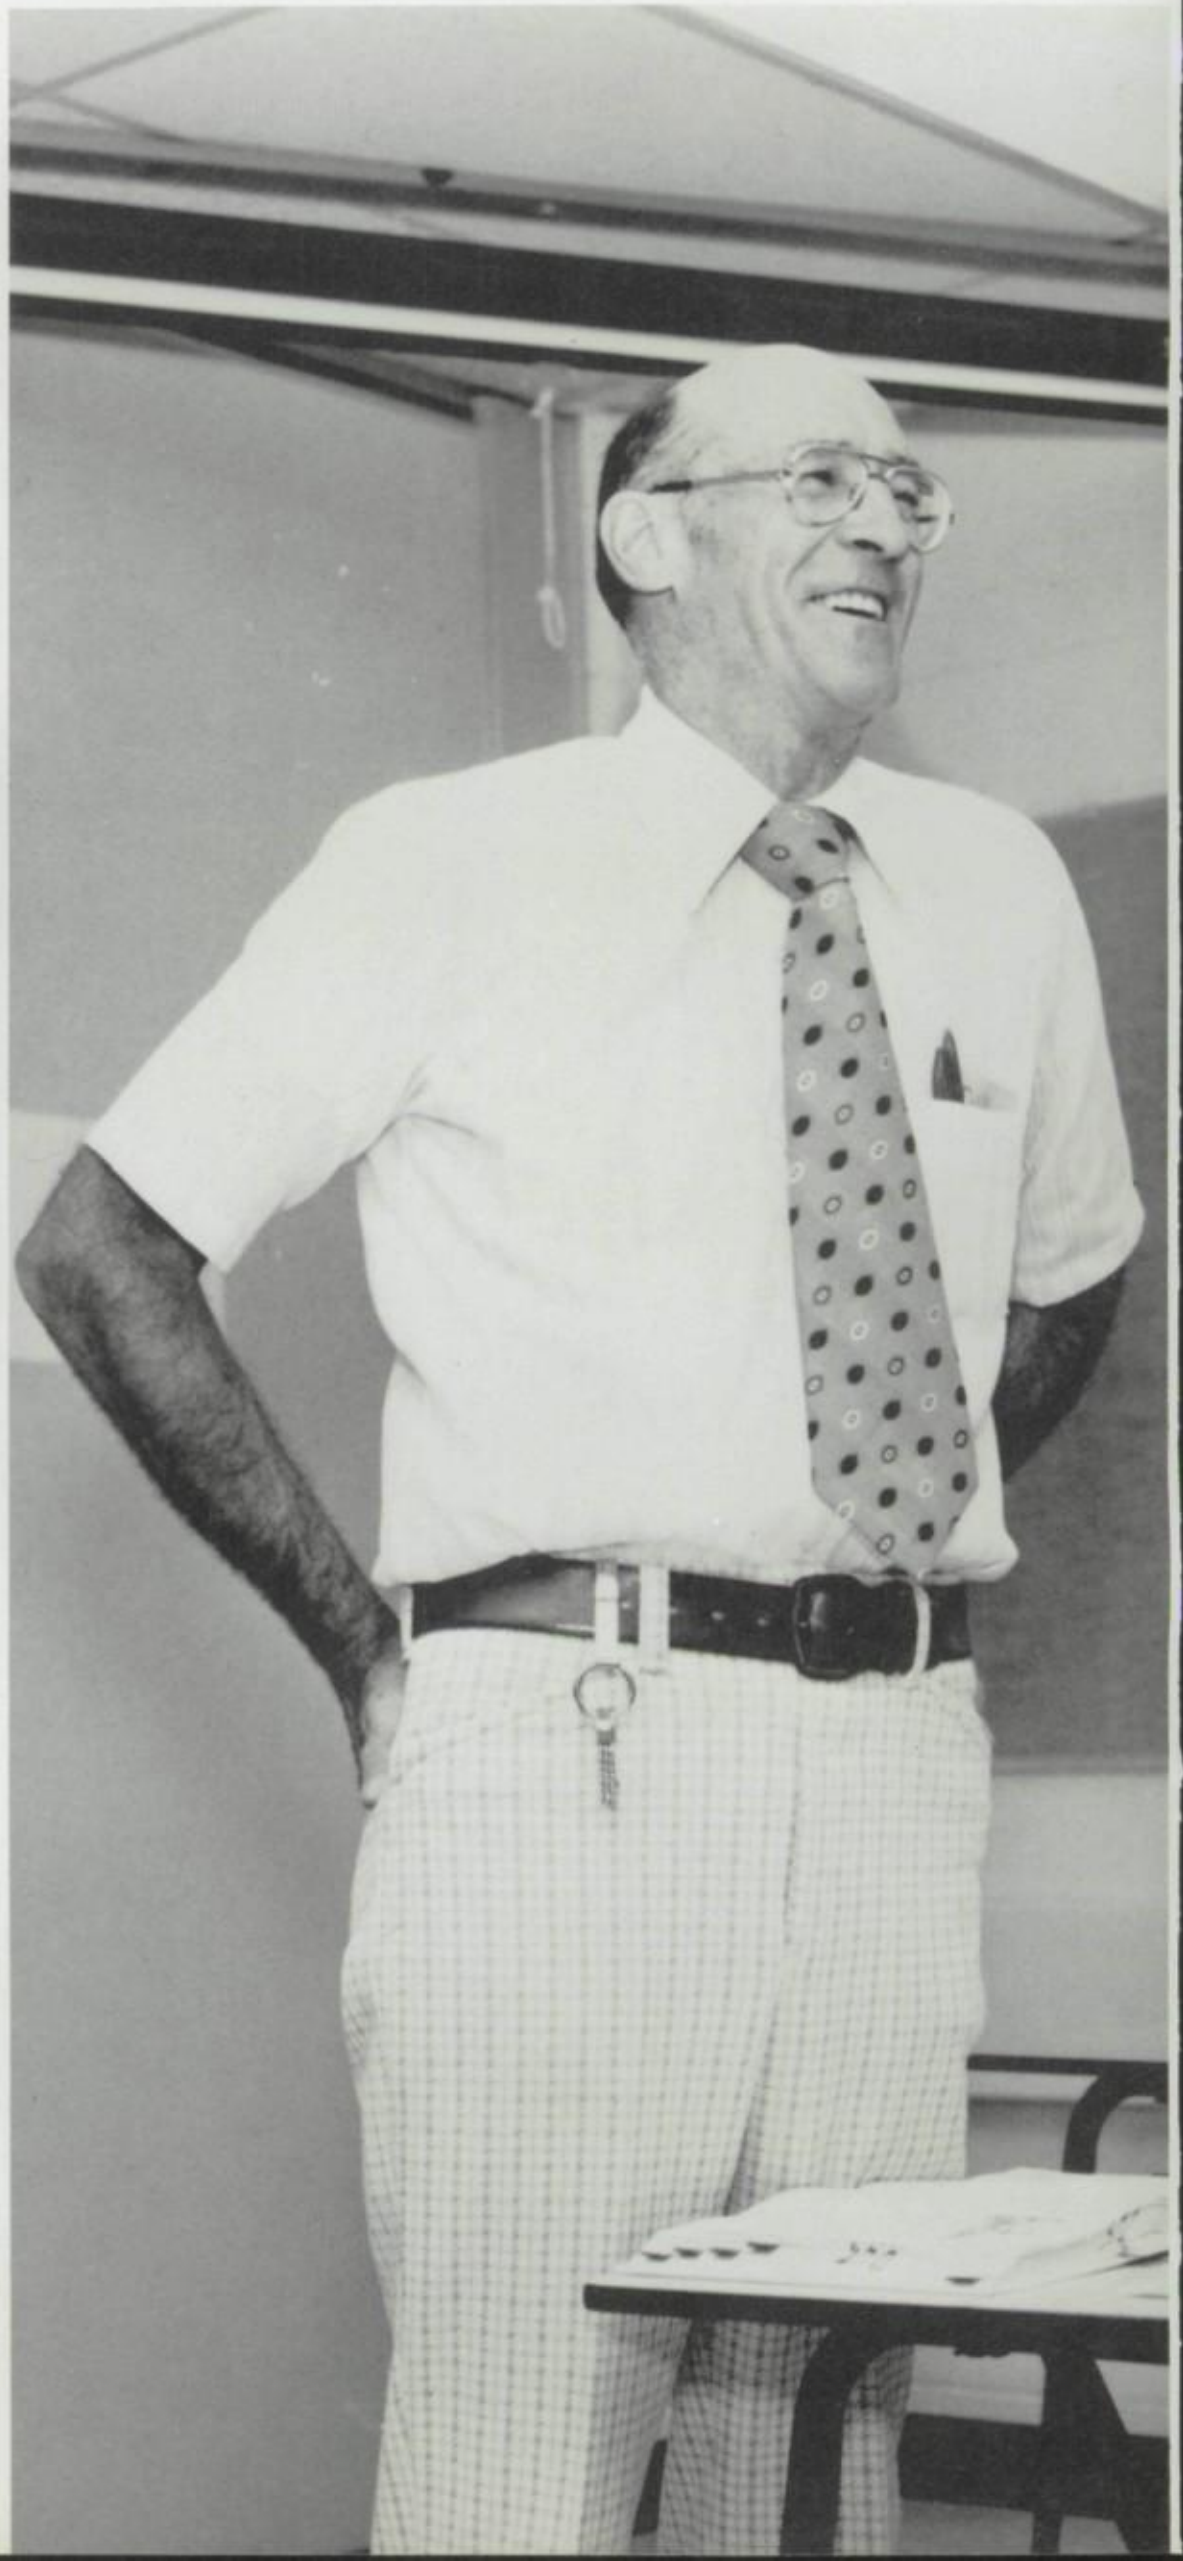
PAGE 65: TOP: Howard Bjornstad—Algebra II, Analysis I, Geometry. BOTTOM LEFT: Larry Dunn—Algebra I, Pre-Algebra, Practical Math. BOTTOM RIGHT: Debbie Ferry—Geometry, Applied Geometry, Applied Geometry and Trigonometry.

Social Studies Is a Must

Every Romeo High School student is enrolled in a Social Studies course at least twice during his/her high school career. As juniors, students are required to take a full year of U.S. History. Seniors, in order to graduate, must successfully complete at least one semester of U.S. Government. Many seniors, however, take government for a full year. In addition, the department offers World Geography and World History as electives for sophomores. Other department offerings include Psychology and Sociology.





PAGE 66: LEFT: Edward Battani—U.S. History. RIGHT: Merlin Kerr—Government. PAGE 67: TOP LEFT: Ralph Wiktor—U.S. History. TOP RIGHT: Jennifer Foor—World Geography, Yearbook, Government. BOTTOM: Janice Lester takes her turn in the voting booth.

Classes Stress Culture

Verbs, translations, slides, stories and cultural events are all part of the daily fare for foreign language students. Students are given the opportunity to explore the history, geography, customs and even the food of France, Spain and Germany. Audio-Visual materials including filmstrips and tapes allow students to more fully experience the "language." This year the department also received new resource books, including dictionaries and readers.

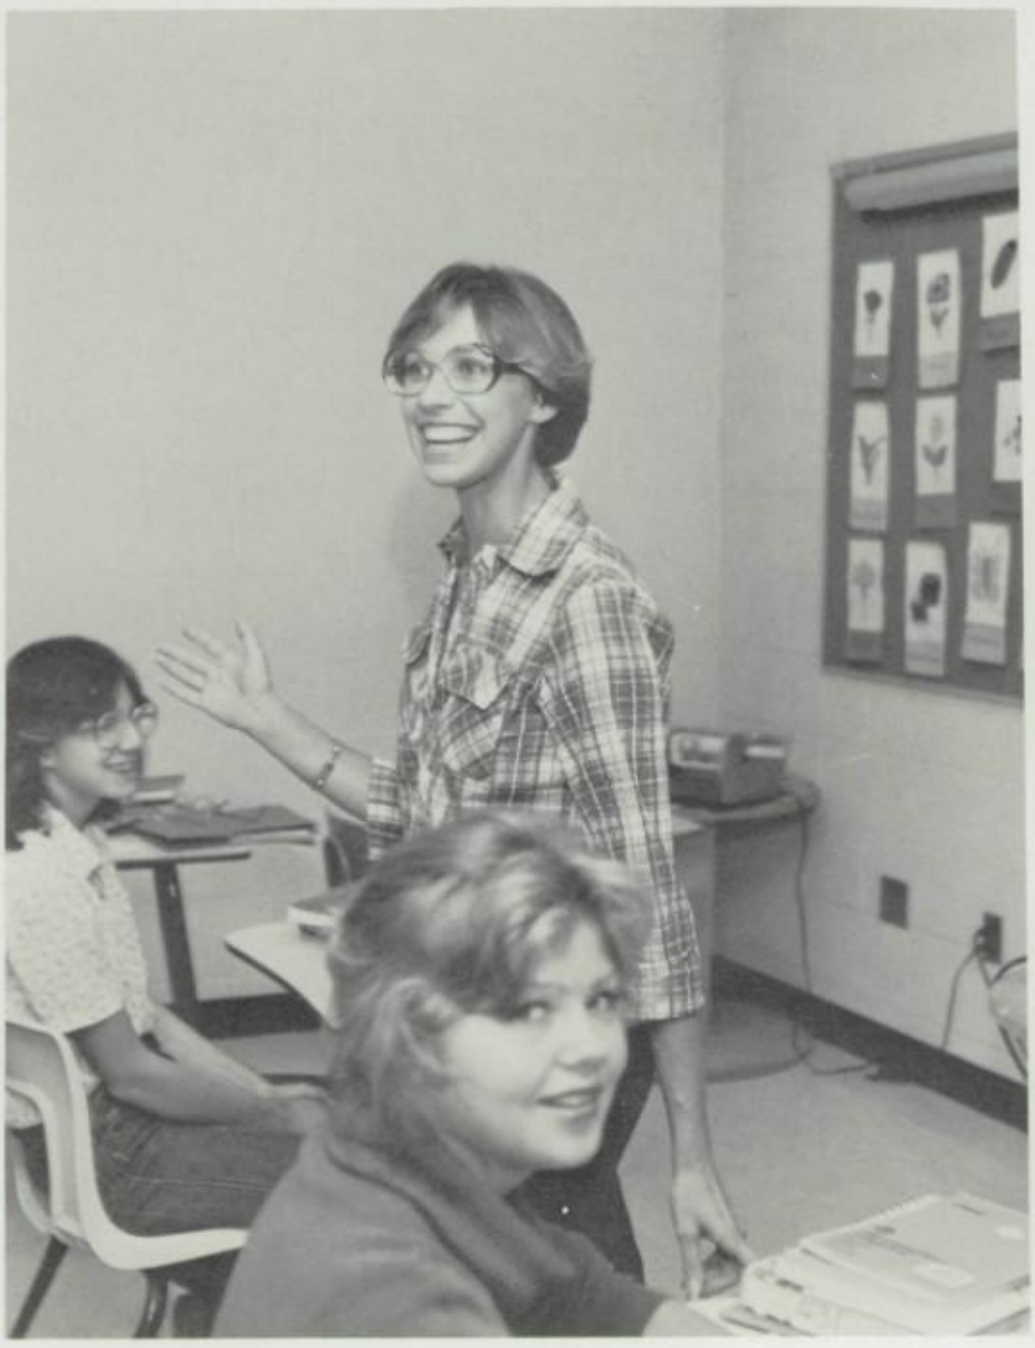
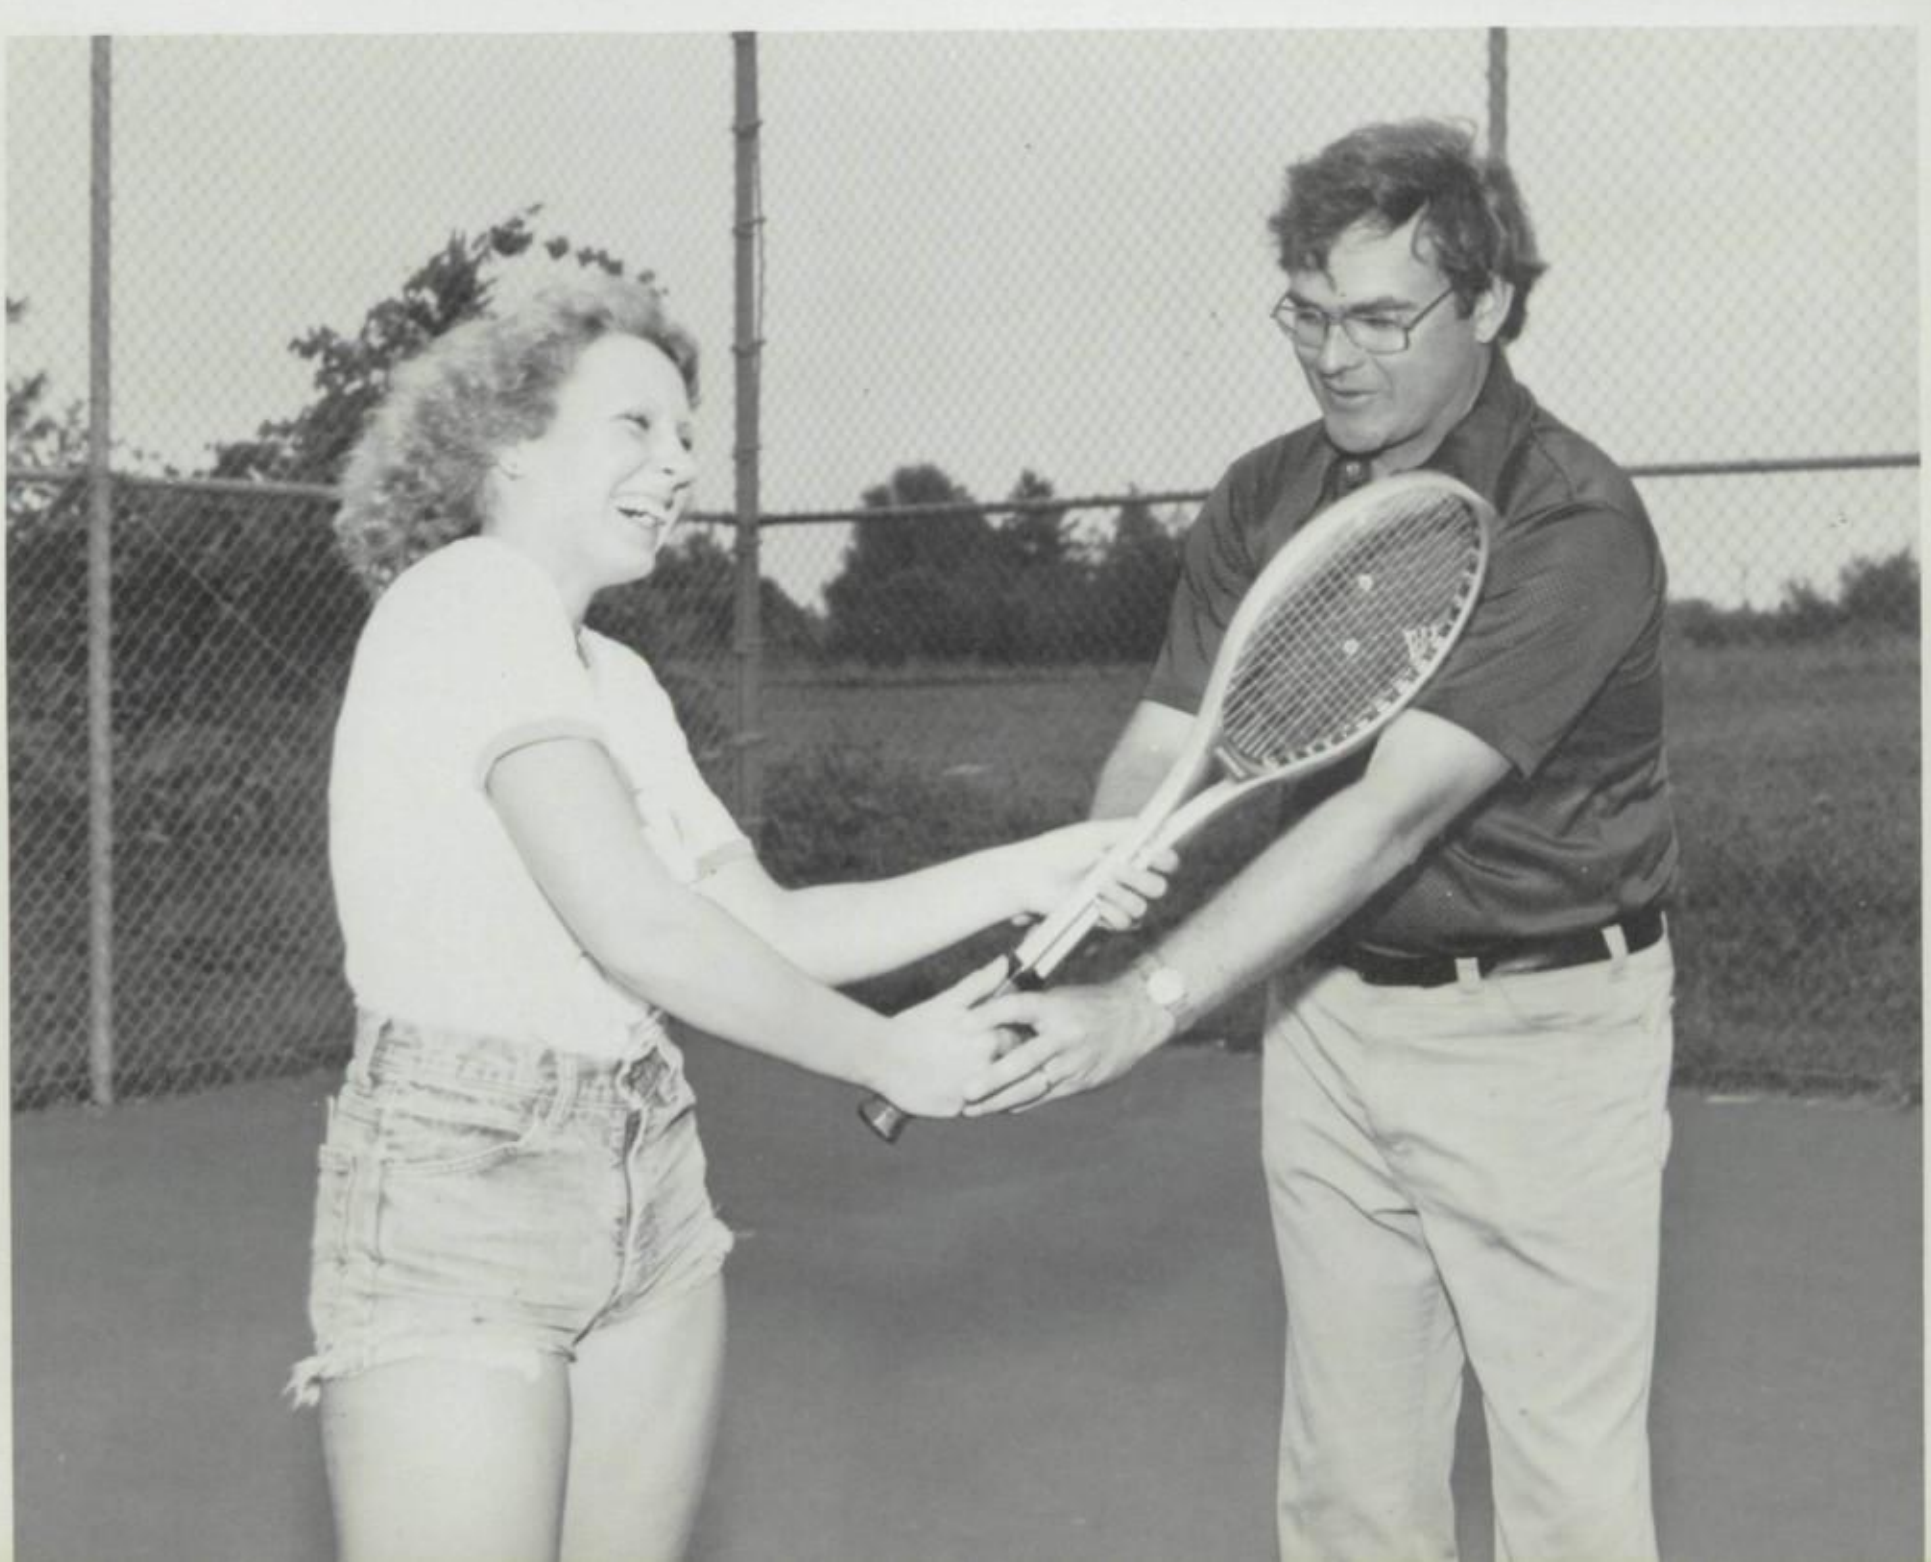
mexico





Lifetime Sports Promoted

Do you have a favorite sport? The Physical Education Department probably offers a course that will help to improve your skills and techniques. Sophomores are required to take Health Swimming and general physical education. Upperclassmen may elect to take a variety of 10 week courses designed to encourage students to have a healthy, active life.

PAGE 72: TOP LEFT: Dawn Indish–Student Teacher. TOP RIGHT: Kay Nicholson–Physical Education, Health. BOTTOM: Jerry Barr–Physical Education, Health. Business Offers Opportunities

If a student at Romeo High School is interested in taking up a career in the business field he/she will find many opportunities in the Business Education Department. There are many courses designed to prepare students for the future. Typing, accounting and shorthand are only a few of the selections a business student can choose from.

Experience on the spot is the goal of the department's two Co-Op courses. Distributive Education Co-Op places students in retail establishments to gain experience. Office Co-Op gives people a chance to work in business offices.

D.E.C.A. and B.O.E.C., both sponsored by the department, offer business students the unique opportunity to share experiences with other business students in club competition.

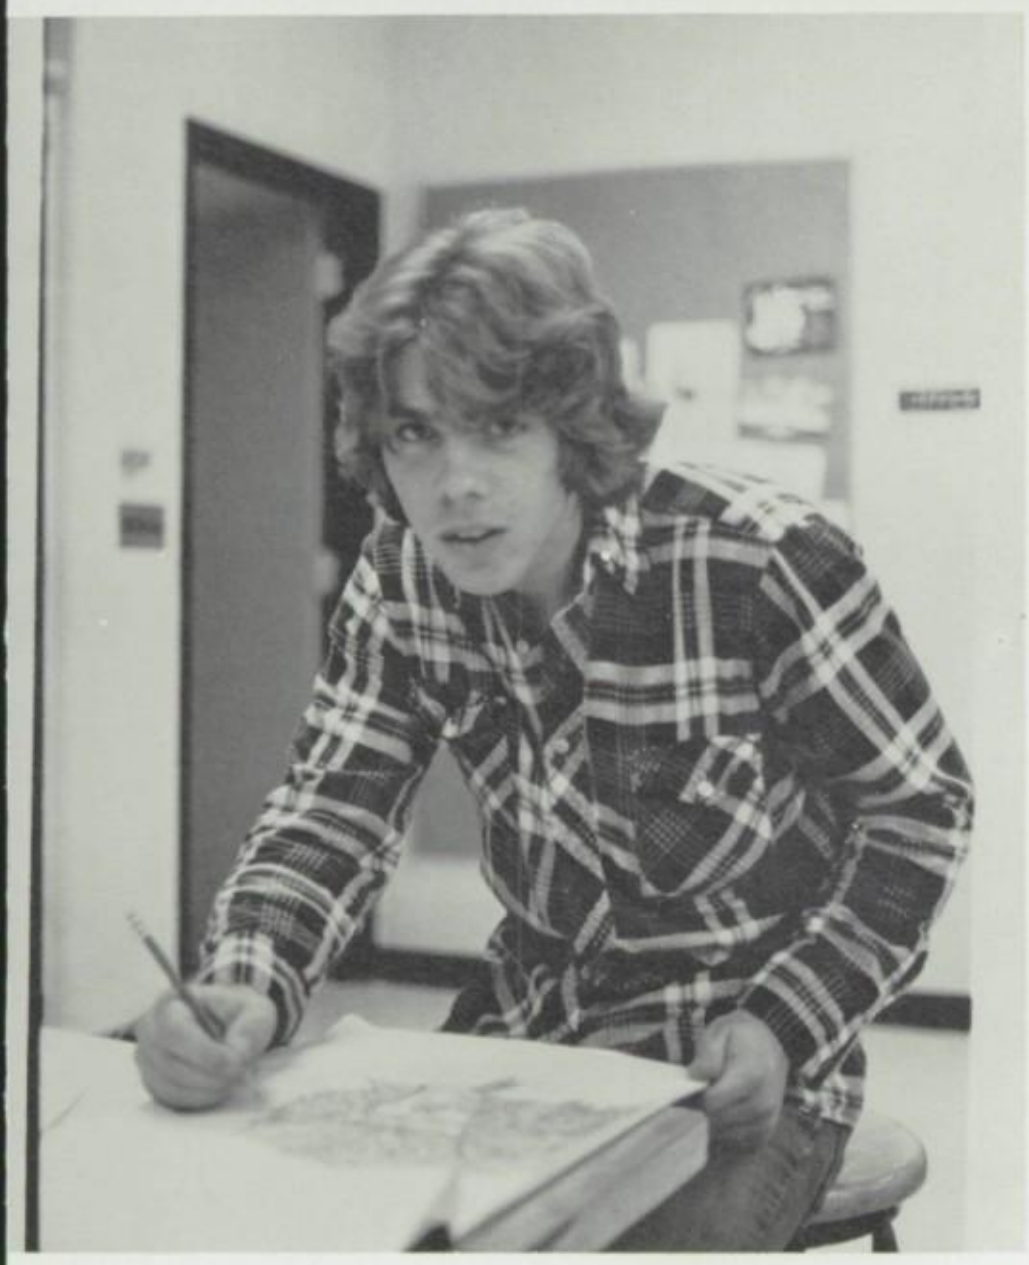
You Gotta Have Art

The Art Department at R.H.S. offers courses for students of all interests and abilities. Classes are offered in fibers, jewelry, pottery, drawing and painting. Basic through advanced instruction is offered in all areas.

Art students have a chance to learn techniques, do projects and display those projects. Each year the department puts on a spring art show. Numerous pieces of work by many students are exhibited. The art department is the organizing force behind R.H.S.'s biennial Fine Arts Festival.

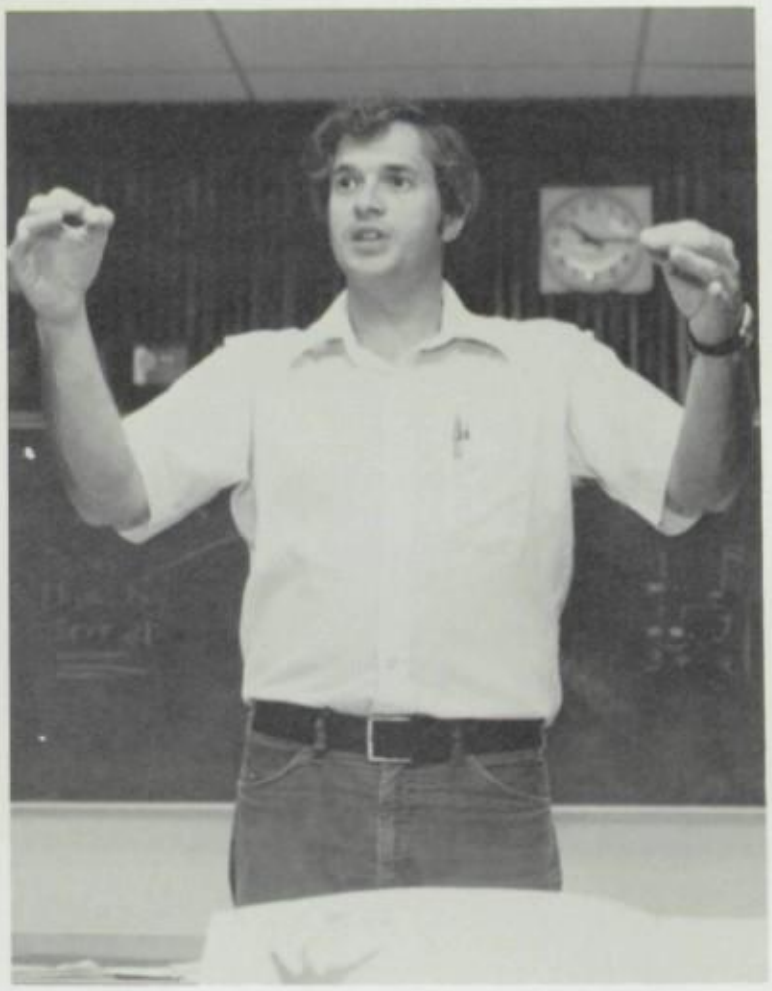
BOTTOM LEFT: Paul Verhelle glances up from his drawing. BOTTOM RIGHT: Kim Thompson seems to be enjoying pottery.



New Musicians Are Discovered

Music makes people happy; the students of Romeo are no exception. The Choral Department, guided by Mr. John Mitchell, and the Instrumental Department, instructed by Mr. William Middleton, perform from five to seven concerts every year. Every year, a student of each of the two departments is awarded an Interlochen scholarship. In the spring of 1978, Carolyn Langelier and Kim Phillips were the recipients of this award. This year, Romeo was honored to be the host of the District 10 Macomb County Choral Festival.

PAGE 79: TOP: Carefully concentrating on their sound are some Symphony Band members. BOTTOM LEFT: William Middleton successfully conducts his band. BOTTOM RIGHT: Some music students listen to a modified arrangement.



Students Learn By Doing

The Vocational Education Department provided, as always, a very valuable service for RHS students this year. Students learned skills and techniques in a variety of areas. Students traveled to Mt. Clemens, Armada, Anchor Bay, Richmond and New Haven to participate in classes from the North End Vocational Program. Students from these districts came to Romeo to attend classes here.

The department's biggest news this year came from the computer lab. Twenty-eight micro-computers and one mini-computer were added making the RHS system one of the most sophisticated high school labs in the nation. In January, the "Micro-Lab" was host to an open house. Businessmen and educators were given the opportunity to learn about computer systems and applications through a variety of demonstrations and displays.

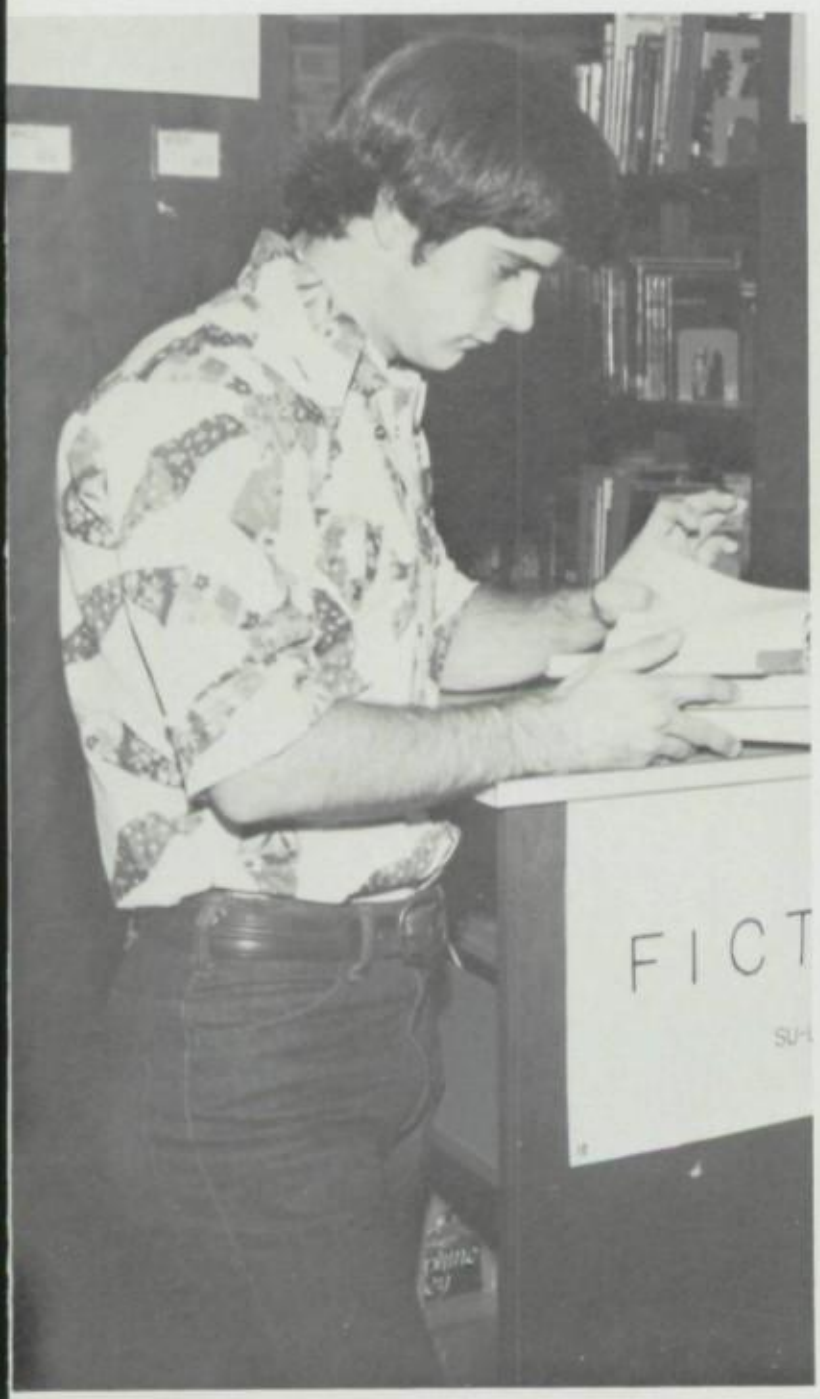
IMC Offers A Wide Range Of Services

The IMC is a very busy place. It contains hundreds of books ranging from encyclopedias to classic novels. It provides a quiet place for students to study. In addition, the IMC is a warehouse for the school's collection of Audio-Visual materials.

Media assistants receive credit for performing a wide variety of services. These include; A-V set-up, assisting students, cataloguing materials and even, cleaning up.



PAGE 84: TOP: IMC Assistants: FRONT ROW: LEFT TO RIGHT: S. Jones, M. Morgan, P. Richardson, K. Mason, S. Schlunz, S. Yoohs. SECOND ROW: C. Sheeley, M. Weidner, L. Campbell, J. Woosley, P. Mort. BOTTOM: Jeff Bernier and Craig Graboske look through the magazine collection.

Counselors Give Encouragement

The Counseling staff provides a wide range of services for Romeo High School students. The largest task of the year is helping thirteen hundred students schedule their classes. In addition to this, they help students make important decisions concerning their futures. To help with this task the counseling office has on file, a large collection of catalogues from many universities and technical schools. Counselers take on the challenge of being both advisers and friends.

PAGE 86: TOP: This of one of the quieter moments in the counseling office. BOTTOM LEFT: John Mowery–Counselor. BOTTOM RIGHT: Diane Faix looks through a college handbook. A Grecian Perspective

Crews Keep R.H.S. Going

The custodians of RHS work had to keep the school functioning. They repair things that are broken or damaged. They maintain such facilities as our pool, lunchroom, gym, and classrooms. These people are responsible for the overall upkeep of the entire school. The staff is made up of both men and women. They do a fine job of keeping our school environment pleasant for everyone.

This year, when the school switched to a different lunch program a few new faces were added to the kitchen staff. This was necessary in order to make the program run smoothly. The staff worked hard to prepare lunches for the student body.

Cindermen Stride To Victory

The Boys' Track team, with an excellent record of nine wins and three losses, was made up of forty-six students. These students, coached by Mike Simon and Assistant Coach, Larry Russell, included fifteen sophomores, sixteen juniors, and fifteen seniors. Of these, Bob Rilley was named most valuable player and Jeff Soulliere was voted captain of the team.

Track and field is a sport in which athletes compete against each other in running, jumping and throwing events. Running events include races of various distances as well as relays and hurdle races. The high jump, long jump, and pole vault are the jumping events. High jumpers and pole vaulters leap for height while long jumpers try to make as long as jump as possible. Throwing events include the discus and shot put. All of these events combine to create an exciting and action-filled sport.

Team Gains Experience

The 1978 Girls' Track team started out with thirty-one girls and ended up with twenty-two hard working sprinters. shot-putters, hurdlers, high jumpers, discus throwers and runners. The team lacked experience having only nine returning letter winners. First year coach, Renee Lounsberry felt that the cold and rainy weather coupled with the fact that they started out against tough schools, L'Anse Creuse and Richmond, hindered the team in the beginning of the season. However, the girls who remained on the team gained valuable experience for future seasons.

Juliets Have A Productive Year

"We had a pretty good year," were Coach Jerry Barr's first words when he was asked about the 1978 Varsity Softball team. They had a record of ten wins and seven losses. The team was sent to Oakland A playoffs where they beat Avondale 16-12.

Romeo awarded letters to twelve members of the team. Captain Barb Mullin received her third letter. The Most Improved Player award was given to Debbie Carter. Tina Hanzek broke the school record for the most hits in a season with a total of thirty.

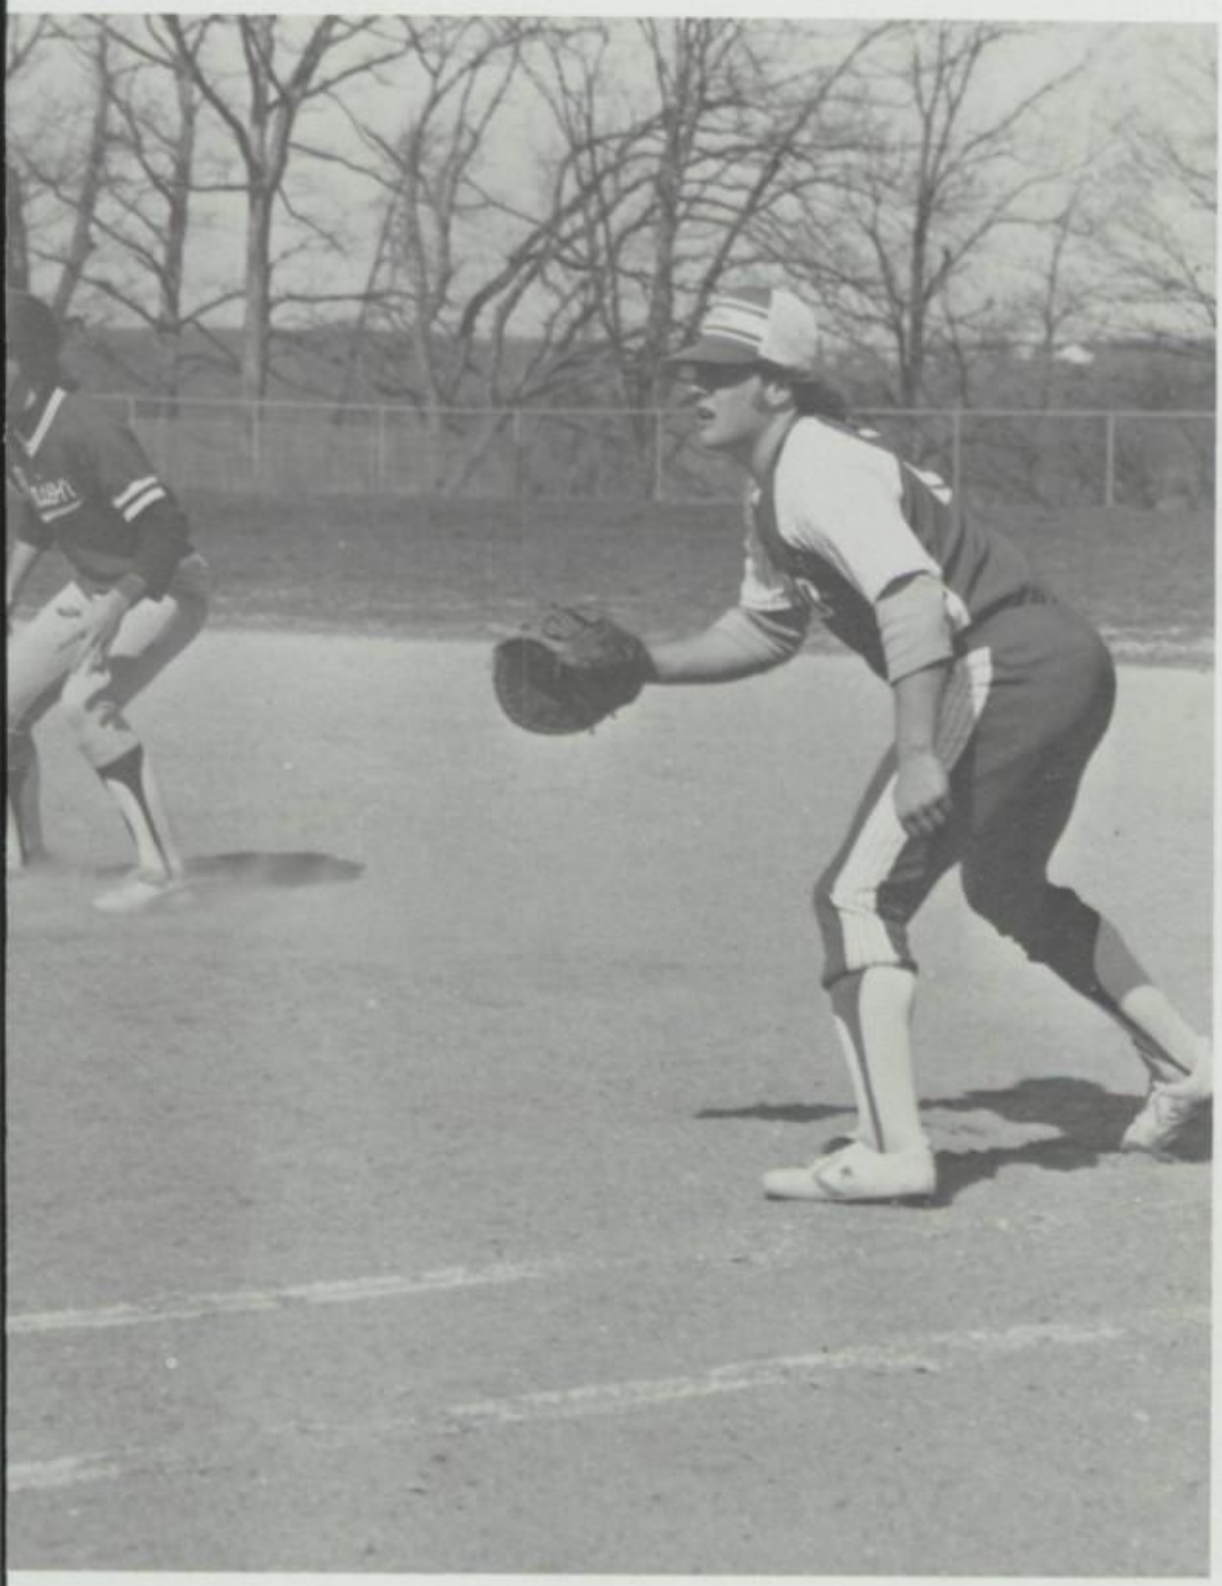
Batmen Clinch Oakland 'A' Title



The Varsity Baseball team had an outstanding year. With a record of fourteen wins and only five losses, Coach John Lapish was pleased. Vito Thornton, Captain, gave encouragement, humor, and spirit to his teammates. Mark Medaugh, Most Valuable Player, was the first baseman and a steady player. All of the players gave their energy, effort and enthusiasm to every game. The team set a new school record and secured the Oakland A title. It was an exciting season for the players as well as the spectators.

J. V. Swings Into Action

Coach Ralph Wiktor was more than pleased with the outcome of the Junior Varsity Baseball season. He was also happy with the way the team members worked with each other through the wins as well as the losses. With good players who improved during the season, the team was able to earn a record of ten wins and only four losses. The team voted Howard Madden as the Most Valuable Player. They also chose to elect Joe Doss as Captain. Team members rewarded Mark Thom for his efforts by naming him Most Improved Player.

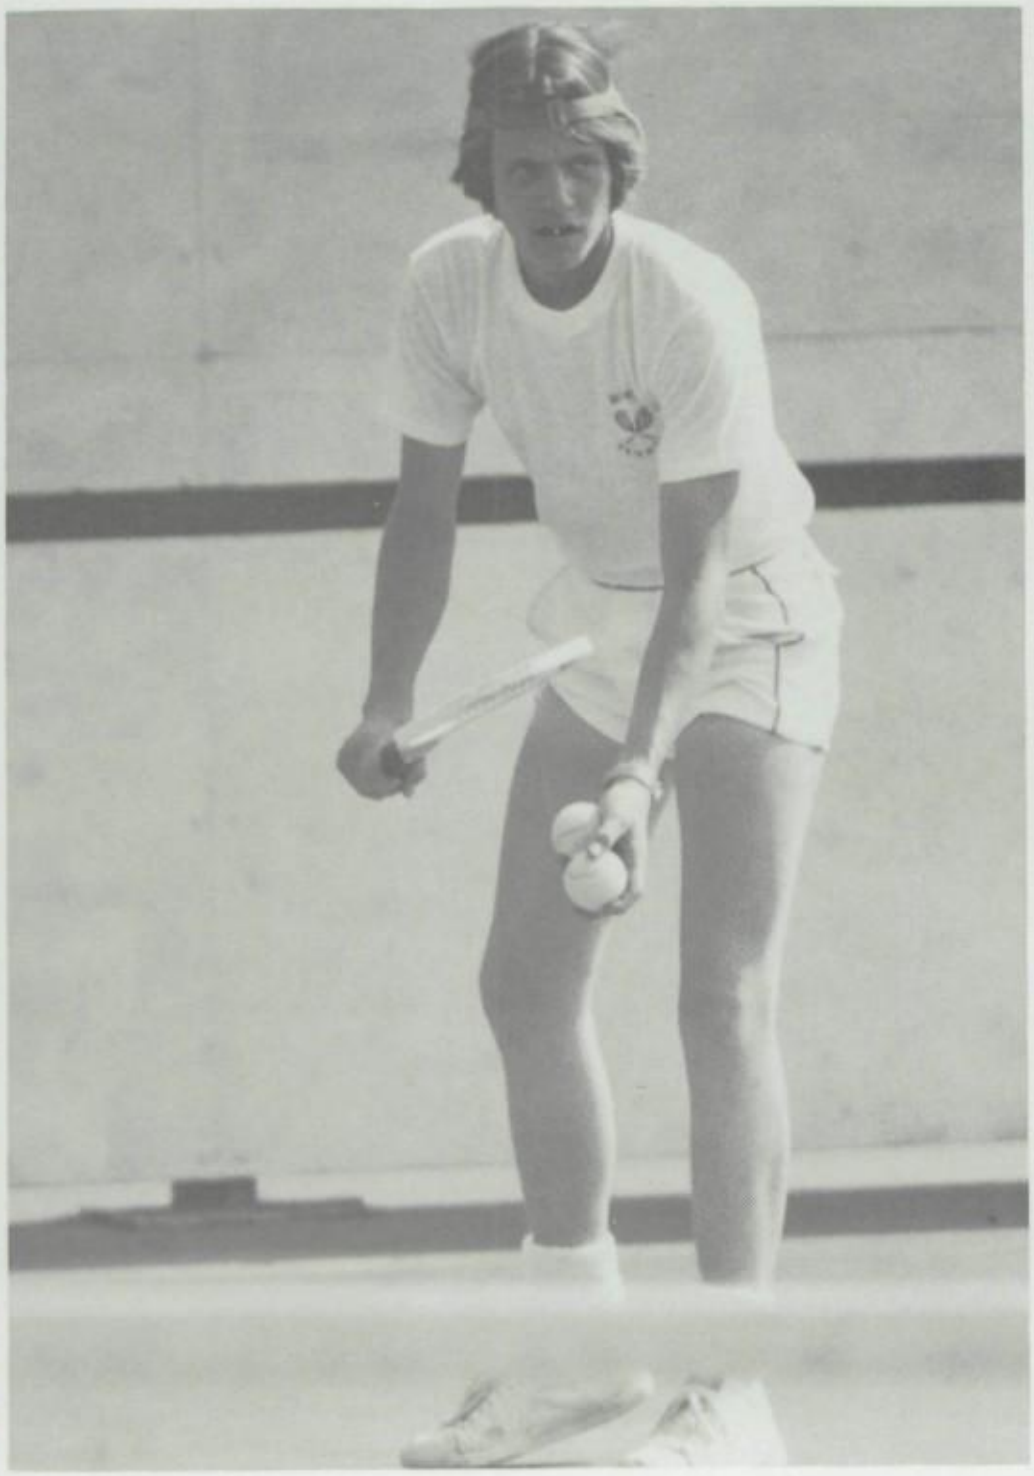
Club Leads To Varsity Teams

In April, Coach Glenn McTaggert started the Tennis Club. The club had twenty-five very enthusiastic members. They scrimmaged Lake Orion several times during the spring. Coach McTaggert thought that everyone did well considering that it was the first year.

Beginning with the 1978-1979 school year, Girls' Tennis and Boys' Tennis are varsity sports. The girls' team has a fall season while the boys compete in the spring.



Girls Swing Into Action

1978 was the first year for Girls' Varsity Tennis at Romeo High School. Although competition was very tough and most of the other teams had at least five to six years experience, the Tennis team showed much potential. The team worked very hard and progressed well throughout the season. Lisa Merten was named team Captain. Janet McClary, who was a new-comer to the game of tennis, accomplished much in the short season and was selected as the Most Improved Player.

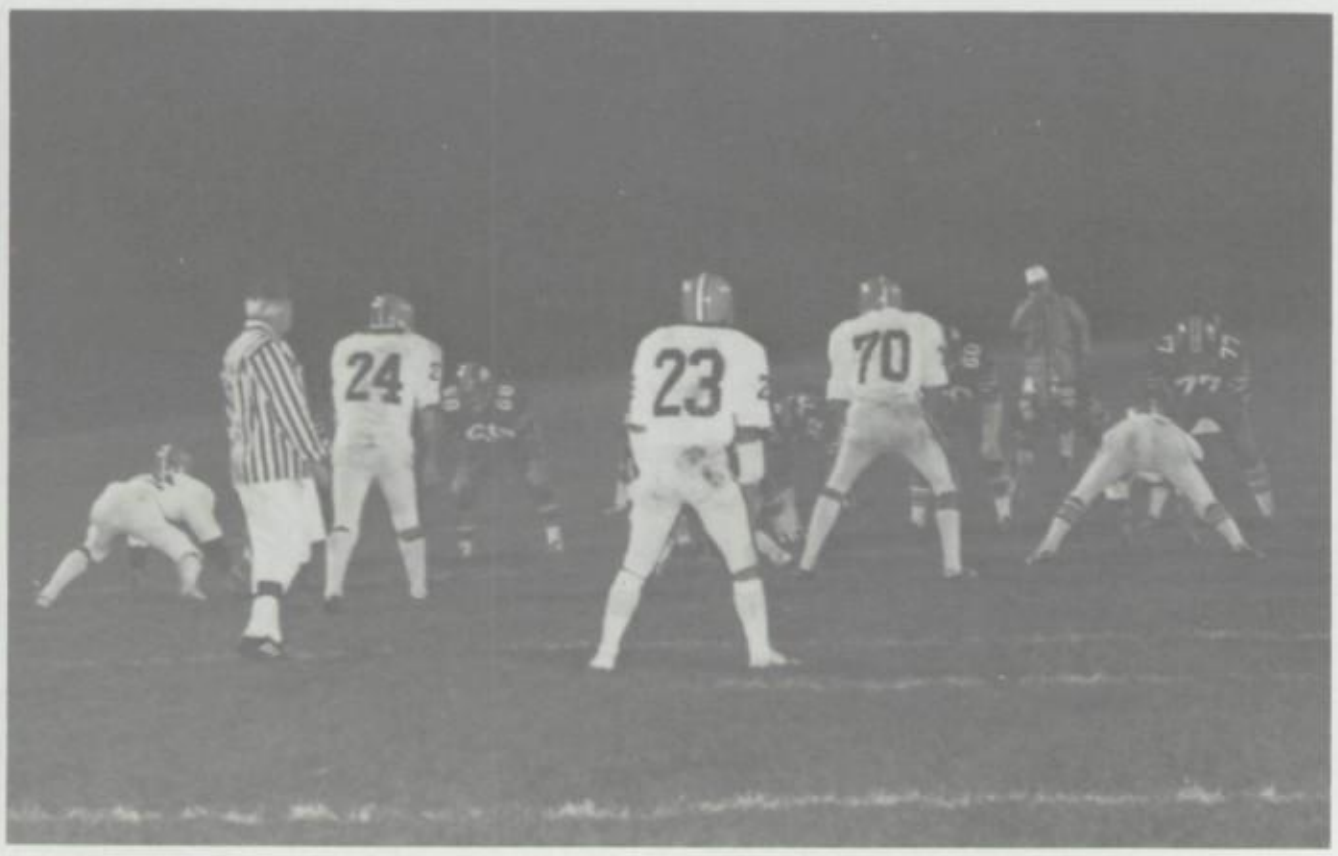
Bulldogs Go to State Playoffs



The Varsity Football team, coached by Larry Dunn, Gary Parmentier and Mike Simon, wound up its eventful 1978 season with a stunning 8-1 record. The team qualified for the State Playoffs, but were defeated in the quarter finals. This year's team was led by Captains Dave Thompson, Frank Falzetta, and Tim Durbin. Craig Stinson was voted Most Valuable Player. Jim Jacobs received the Mike Falker award for the Outstanding Lineman. All-League award recipients were Craig Stinson, Greg Poulos, Dwayne Newson, Jim Jacobs, and Steve Bingham. All-County awards were given to Craig Stinson, Greg Poulos and Jim Jacobs. In addition to receiving the All-League award, Dwayne Newsom, was named to the All-Suburban team by the Detroit News.

J.V. Has a Fine Season

The 1978 Junior Varsity Football team began their season on August 13. That is, they began conditioning and practicing for their games on that date. Coach John Lapish and Assistant Coach Ralph Wiktor had more players on this year's Junior Varsity squad than ever before.

The team played seven league games and two non-league games. They finished the season with a record of seven wins and two losses. The team selected Pat Roberts as the Most Valuable Player. Chet Bernotatis and J.B. Webb were chosen to be Co-Captains. Mark Haueter was named Most Improved Player.

Tomboys Triumph Over Marauders

Thibert's Tomboys and McLean's Marauders battled each other in the 1978 Powderpuff Football game. The game was action packed with the Tomboys edging the Marauders, 6-0. The Tomboys and the Marauders were equally matched throughout the entire game. With three minutes left in the game, Lori Evely caught a touchdown pass from Sue Thibert to secure the Tomboy victory.

Harriers Set the Pace

"Cross Country is a very grueling sport," commented Coach Glenn McTaggart. The Cross Country team has been known to run as many as fourteen miles a day. The team started conditioning for the season with a good stretching program. They used yoga and other long stretching exercises. This contributed to an almost injury free season.

The team finished the season with eight wins and only five losses. Lynn Girard, J.D. Shanahan and Ron Tomlinson were named All League runners.

Golfers Capture League Title

Winning was a familiar word for Romeo's 1978 Varsity Golf team. The team had a season record of 11 wins and only 3 losses. They were Oakland A league champions and league tournament champions. The team placed second in regional competition enabling them to compete in the state finals. Steve Kautz, Steve Gray, Scott Carlson and Shawn Kungel were named to the All League golf team. In addition, Steve Kautz was selected for the All County golf team by the Macomb Daily.

The Junior Varsity golf players also had a fine season and are looking forward to next year. Coach Jerry Barr was extremely pleased with the way that all team members worked together and cheered each other on.

Juliets Have Superior Season

The 1978 Girls' Basketball team finished their season with the best record ever at Romeo High School. It was an exciting season as the team broke the record for the most wins in one season. The final tally showed twelve wins and nine losses. Coach Al Sharrow said that this year's team was the best that he ever worked with. Many team members will be back next year providing the nucleus for another fine team. Team members voted Tina Hanzek as Captain of the team. Robin Hoover was selected as the Most Valuable Player.

Juliets Put Forth Much Effort

Despite a losing season, the girls' J.V. Basketball team members, coached by Debbie Ferry, gained a valuable learning experience. Coach Ferry was pleased that the girls showed their determination by working diligently together as a team. The girls were led by Captain Kathy Blum. Diane Laurain was voted the team's Most Improved Player. Coach Ferry hopes that the girls will practice and appear on next year's Varsity roster.

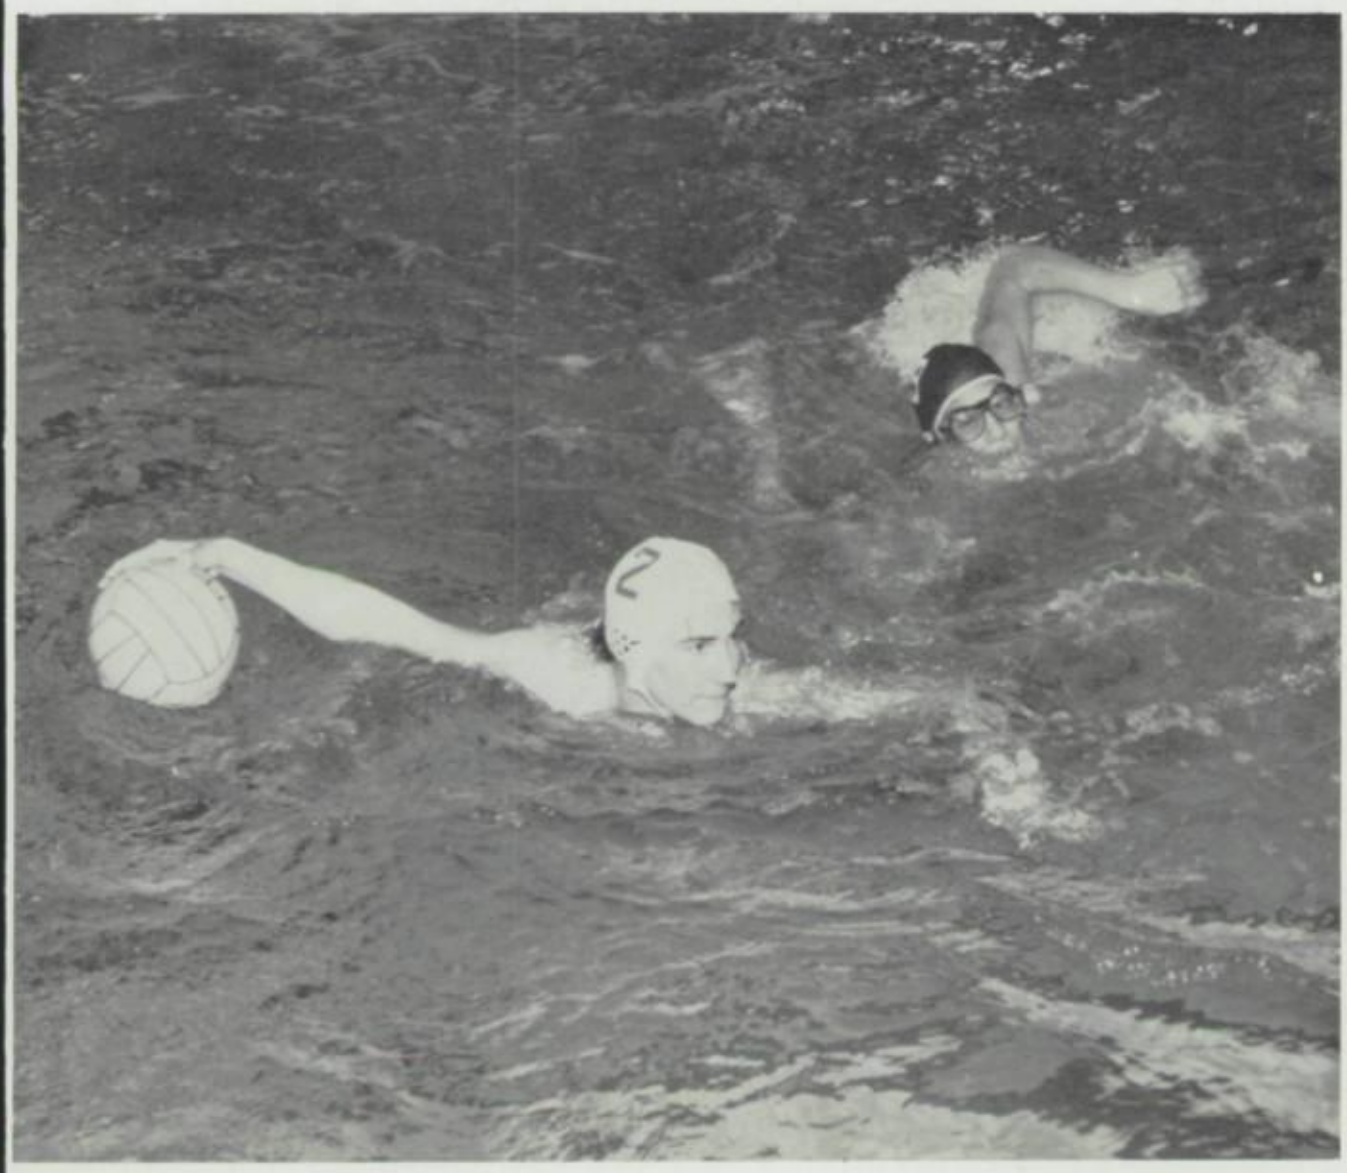
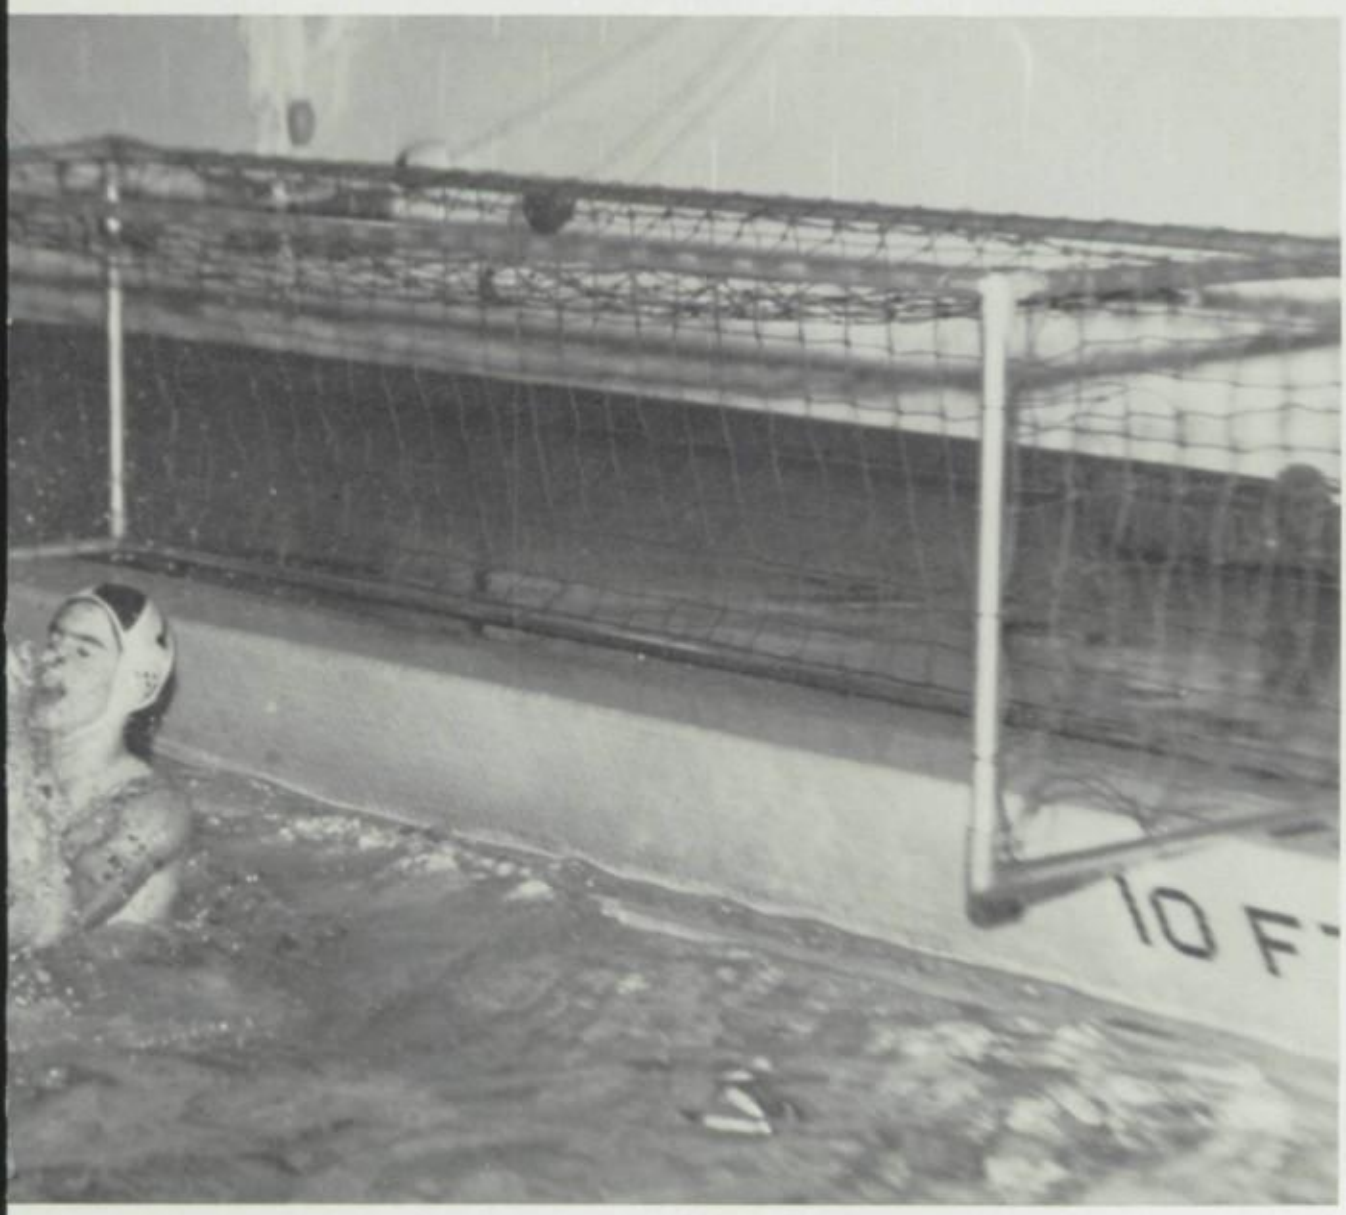
Water Club Team Sets High Goals





The Water Polo Club was invited to participate in the State Tournaments, where they competed against the top teams in the state. This was quite an honor for the team, as this was their first year of competition. Mark Fletcher was named Captain of the team. Doug Stavoe was chosen as the Most Valuable Player, and Jeff Swartz was the Most Improved Player.

The game is very similar to hockey. Instead of skating, however, the players swim. To prepare for competition the club did conditioning drills, scrimmaged, and swam for many hours. Coach Dave Lohr said that he really enjoyed organizing and coaching the club. "They are very enthusiastic and, as a first year team, they did very well."

Bullfrogs Look to the Future

The Varsity Girls' Swimming and Diving Team, coached by Rod Charles, was new to Romeo High School this year. Coach Charles stated that the girls had a good year even though they had some setbacks. "The team," said Coach Charles, "was as good as could be expected for a first year team." Coach Charles also said that he believed that the girls, with more experience, have the ability to become a winning team.

Swimmers and Divers Make Waves

1978-1979 was the first year for interscholastic competition for the Boys' Swimming and Diving Team. Coach Charles said, "To me, the most important aspect of the season was the steady improvement by the swimmers and divers. The times recorded by some of the swimmers and the scores of the divers were very good. They favorably compared with the atheletes at other schools."

Senior diver Bruce Sheppard qualified for State Regionals. Seniors Jeff Swartz and Bruce Shappard, Junior John Harding, and sophomore Rob Johnson all qualified for Macomb County Championships.

Gymnasts Have Super Season

Despite the injuries and illnesses that occurred at the beginning of their season, the gymnastics team pulled together to have a rewarding season. LeAnn McKenzie qualified for Regional competition with her beam routine. Many other team members secured regional scores in other events.

Spikers Get Set

This year's Varsity Volleyball season was one of hard work. With mostly juniors on the squad, Coach Kay Nicholson regarded the season as an excellent preparation for next year. Several players showed outstanding skill. Janet Buss and Barb McLaughlin, both juniors, led the team in spiking and serving. Senior Cheryl Boncher also had an outstanding season.

J.V. Girls Volley for Points

The JV Volleyball squad, with hard work and dedication, improved greatly throughout the season. With help and coaching from Dawn Indish, the team showed skill. Coach Indish summed up the season with these comments. "Success cannot be measured by a win-loss record, for if it did one could see that the teams season wasn't one of success." However, the Junior Varsity girls have come a long way! Having no background in volleyball they worked hard to mold as a team, representing Romeo High School with dignity."

Cagers Shoot for the Top

The Varsity Basketball players had the character and courage to make it through a rough start this season. By the second half, they had turned the tables around and won 9 out of their last 12 games. They made it to the Oakland A Finals' Tournament, also.

JV Sets a New Record

Although Romeo's Junior Varsity Basketball record for the 1978-79 season was not outstanding, they did set a record for the most points scored in one season. The previous record was 1,020 points scored in the 1969-70 season. This year, there were 1,045 points scored. The team lost several games by only a few points. However, the players gained valuable experience.

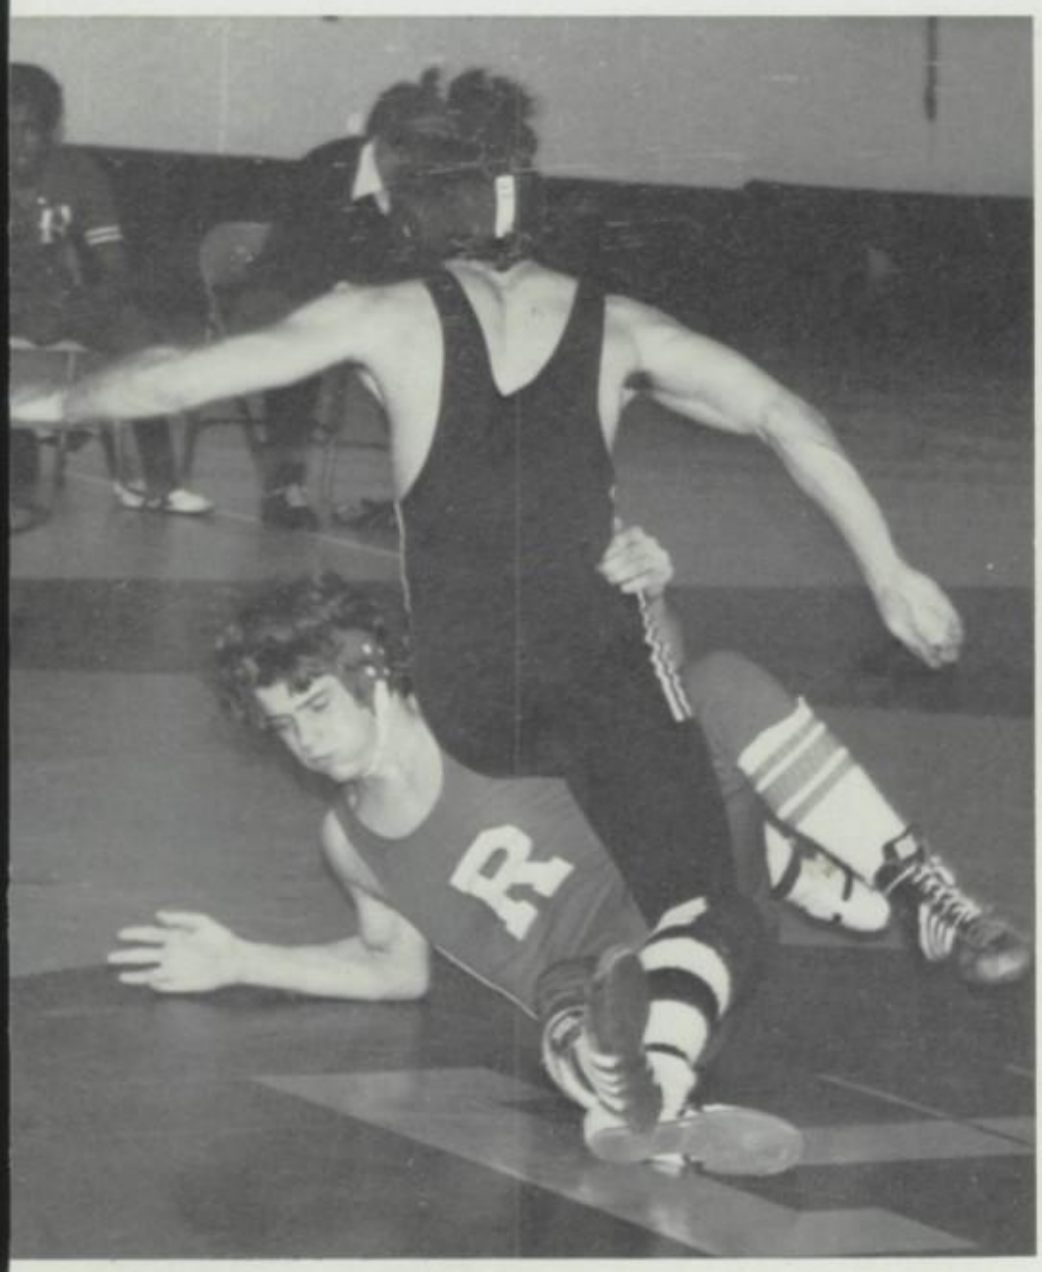
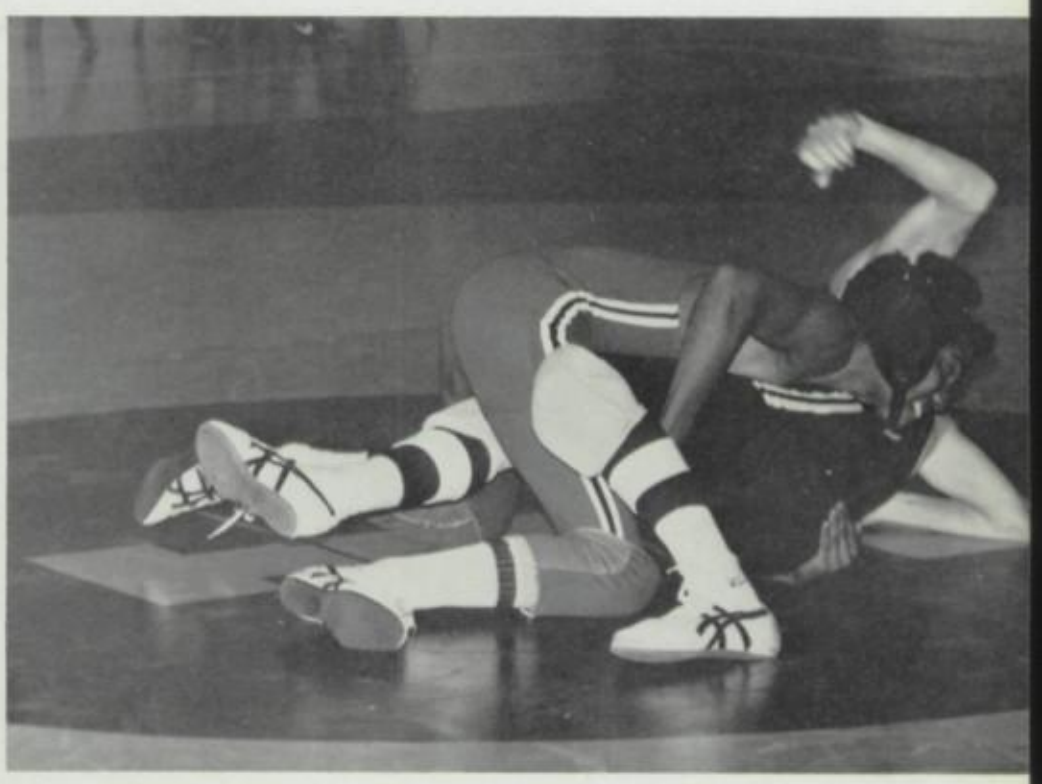
Grapplers Exhibit Skill

Despite the poor win-loss record of the Varisty Wrestling team, they had a positive attitude throughout the season. This attitude helped many wrestlers improve their techniques and paid off during close duel meets and in individual matches. The major reason for the limited success of the Wrestling team is due to the fact that there is not an established junior high program. However, the team had many excellent wrestlers. Steve St. Clair, placed first in his weight class in the Oakland A Tournament. He also placed first at the L'Anse Creuse North Tournament and was named the most valuable wrestler of that tournament. Lynn Massie and Bill Miller also gave consistent performances.





PAGE 136: TOP RIGHT: The team gives encouragement to a teammate during a match. BOTTOM LEFT: Steve St. Clair puts his opponent in an uncomfortable position. BOTTOM RIGHT: Coach Propst watches during an intense match. PAGE 137: TOP: Lynn Massie maneuvers his opponent while the referee looks on. BOTTOM RIGHT: Jerry Cobb struggles to overcome his opponent. BOTTOM LEFT: Marc Heathfield tries to take down his opponent.

Wrestlers Match Up

The sophomore wrestlers, competing this year for the first time, did very well. Mark Esper, voted the most improved wrestler, set a new school record for the most victories by a sophomore, winning thirteen of his matches. Other sophomores who gave consistent performances included Kirk Cullimore and Chris Alcini. Coach Tim Propst said of the team, "We have continued high expectations for next year and the year after with the best crop of sophomore wrestlers since I've been coaching."

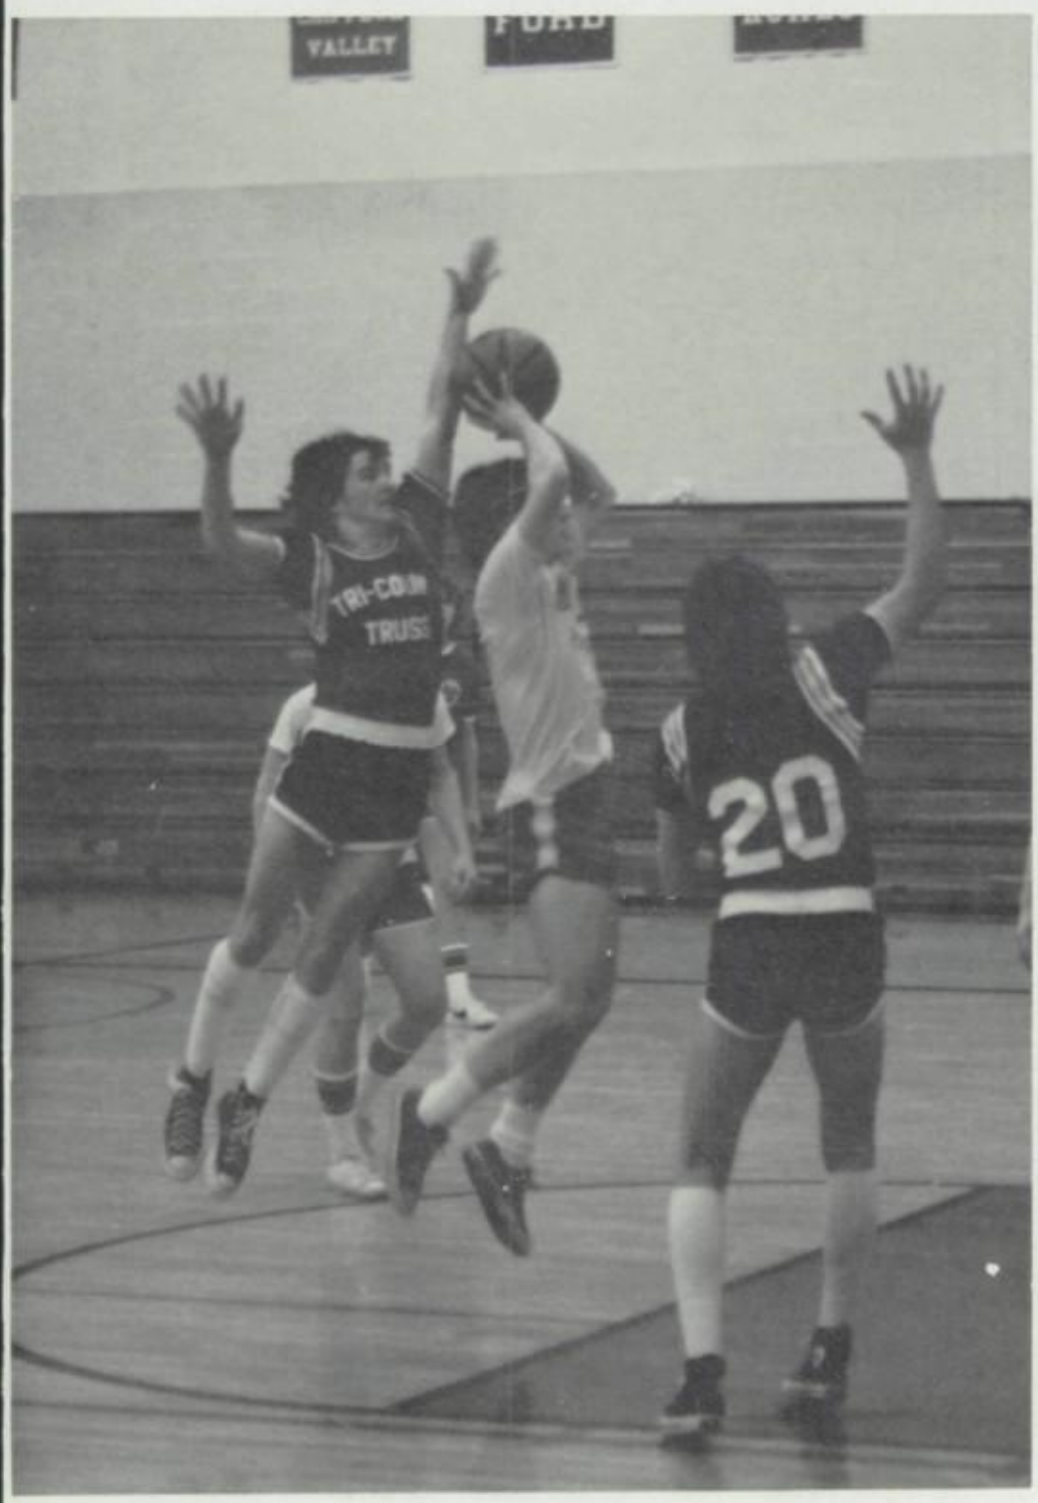
IM: Something for Everyone!

To Romeo students this year, Intramural sports meant fun competition. Everyone was given the opportunity to form their own team and then play against others. Intramurals were sponsored by the GRWB-PRC and RHS. Mr. Paul Bauer acted as IM coordinator. As in the past, a donation was made by L & L Products, which went to the Intramural Sports Association.

Intramural basketball games were held from November through February. There were two divisions, the Red and the White. The 76ers were this year's champions in the Red. Tri-County Truss were winners in the White division.

Intramural volleyball was held from March to April. It consisted of three leagues, the Boys' League, the Girls' League, and the Co-ed League.

In May, Intramural Softball and Swimming were held. This was the first year for RHS Softball Intramurals. Swimming Intramurals were instituted in May of 1978.



PAGE 140: TOP: "Jump ball! Get it! Get it! Jump ball!" BOTTOM: Craig Stinson takes careful aim. PAGE 141: TOP LEFT: A happy volleyball team smiles for the camera. They are J.D. Pine Knob Beckons Skiers

Romeo's Ski Club offered skiers a chance to test their skills on the slopes. Every Thursday, weather permitting, a bus of skiers headed toward the Pine Knob Ski Resort. Pine Knob offered everything from the bunny hill to the 2,500 foot run—the longest in Southeastern Michigan.

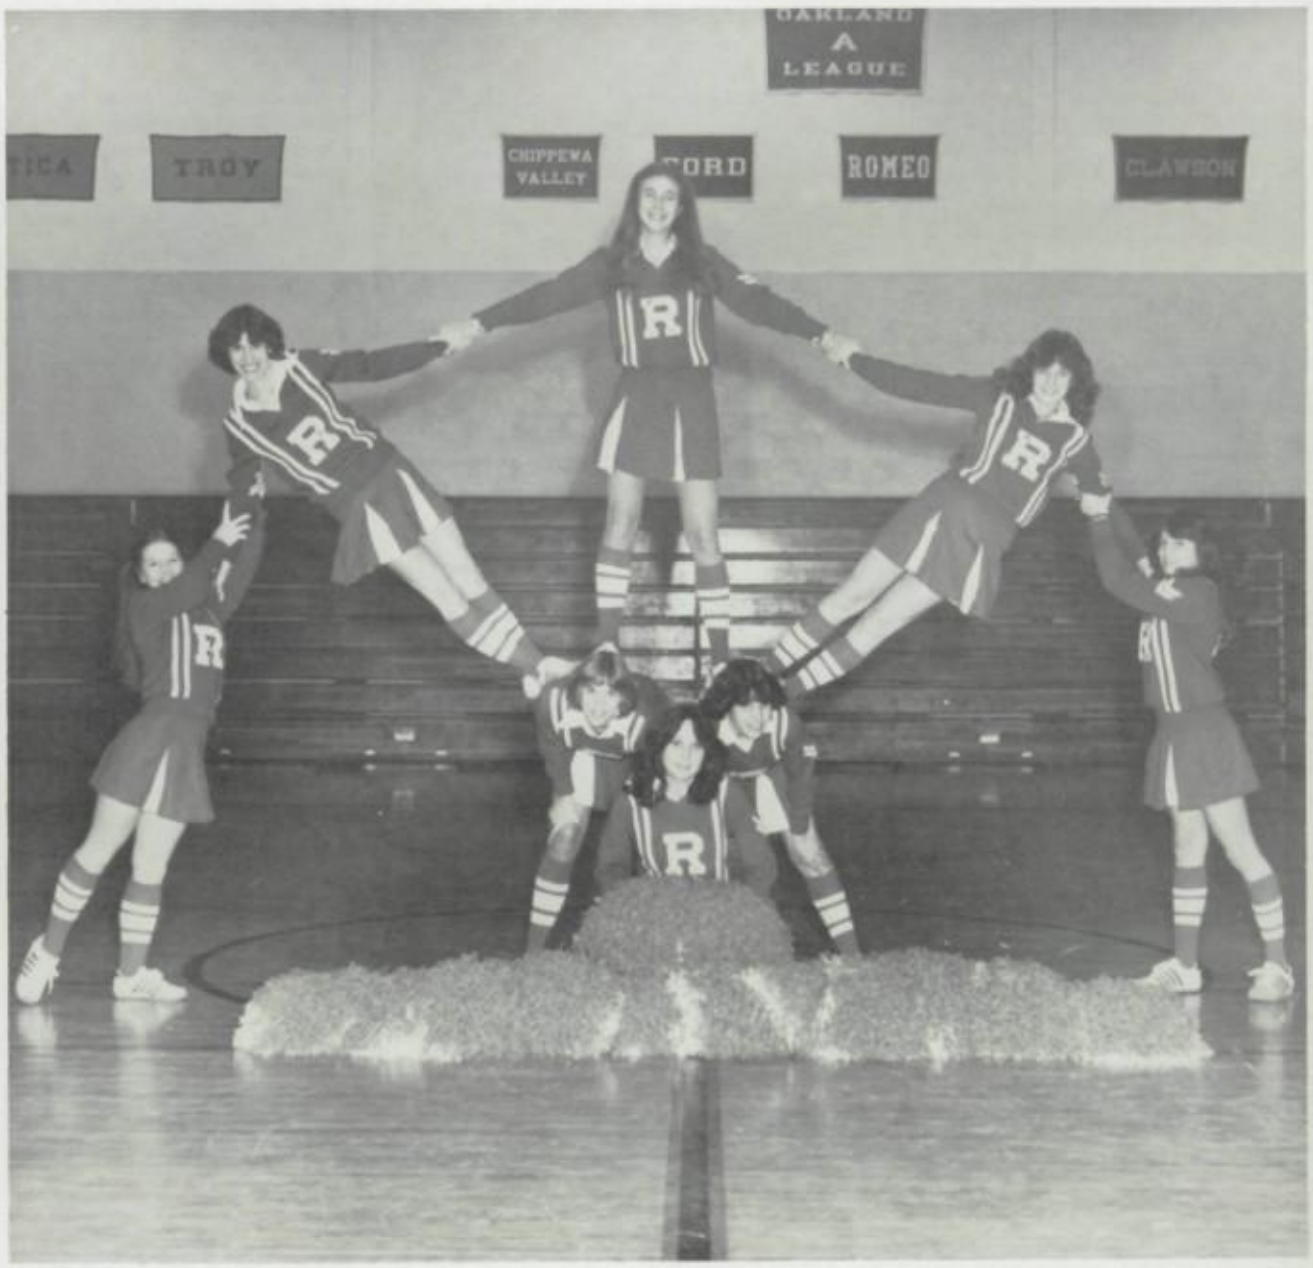
The "ski bums" encountered some difficulties this year though. Poor weather, exams and the lack of transportation caused the cancellation of a few excursions. However, whenever conditions were right the group traveled to the slopes. Ski Club advisers, Glenn McTaggart and Christine Mulcrone also took many club members to Northern Michigan for the group's annual ski weekend.

PAGE 142: TOP: J.D. Shanahan, Tina Ruggierello and Laurie Proper get a lift. BOTTOM LEFT: Mike Wingerter takes a breather. BOTTOM RIGHT: Mark Alcini is about to take a spill. PAGE 143: TOP: Skiers come around the bend and head for the lodge. BOTTOM LEFT: Kim Calcaterra heads for the hills. BOTTOM RIGHT: Kirk Backenstose builds up the courage to try it again.

Squads Encourage Athletes & Fans

For the first time, cheerleading squads were chosen at the beginning of both the football and basketball seasons. These cheerleaders went to all the games, home and away, to cheer the teams on to victory. The majorettes devoted their time and talents to the halftime programs during the football season. The majorettes made up their own routines and performed them well, for all their Romeo fans.

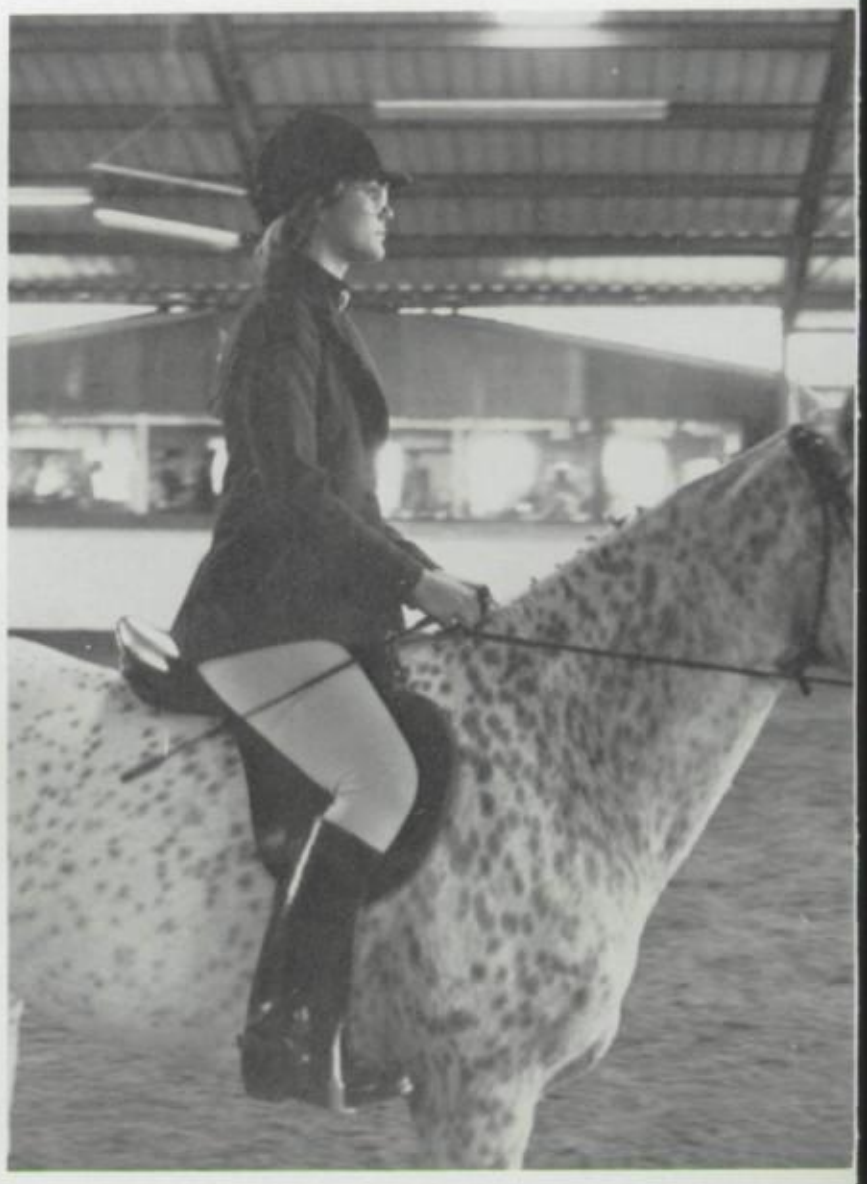
PAGE 144: TOP: JV basketball cheerleaders. FRONT: LEFT TO RIGHT: Crystal Cate, Sheila Miller, Kathy Falzetta. TOP: LEFT TO RIGHT: Denise McCurdy, Lisa Garzoni, Lisa Gaydos, Kim Calcaterra, Mary Beth Stevenson. BOTTOM LEFT: Varsity basketball cheerleaders. LEFT TO RIGHT: Kim Hernden, Kathy Toczylowski, Beth Rilley. BACK: Annette Rinke. BOTTOM RIGHT: Majorettes. LEFT TO RIGHT: Diane Rumph, Judy Westrick, Kim Weaver, Laury Hudson, Connie Haueter, Terri Kirkum, Mary Lisa Linn.



PAGE 145: TOP LEFT: The JV football cheerleaders. FRONT ROW: LEFT TO RIGHT: Sheila Miller, Kathy Falzetta, Denise McCurdy, Penny Brewer, Lisa Garzoni. BACK ROW: LEFT TO RIGHT: Crystal Cate, Kim Calcaterra, Lisa Gaydos. TOP RIGHT: Diane Rumph entertains during halftime. BOTTOM LEFT: The varsity football cheerleaders. LEFT TO RIGHT: BOTTOM TO TOP: Lori Ruggirello, Joan Gruetzner, Carolyn Langelier, Kim Cate, Michele LeFaive, Renee Breault, Kathy Toczylowski, Sue Cate.

Horsemanship Moves on

Romeo High School's Horsemanship Club, otherwise known as the Equestrian Team, had a very good year. The nine member team has been in existance since 1976, and includes ninth through twelfth graders. They compete against other Michigan Interscholastic Horsemanship Association members in this area. This year they competed in three shows, in which they took many blue ribbons.



PAGE 146: TOP: Senior Sue Suddon watches, patiently waiting her turn. BOTTOM LEFT: Coach Sharon Hake gives a hint of a smile as another Romeo rider takes a blue ribbon. BOTTOM RIGHT: Walking her horse to the center of the ring, is Nancy Kramer. PAGE 147: TOP: Romeo High School 1978 Equestrian Club: LEFT TO RIGHT: FRONT ROW: Todd Suddon, Mrs. Sharon Hake, Luann Bednar, Jennifer Bornhardt. BACK ROW: Nancy Kramer, Sue Suddon, Kate Miller, Pam Basar, Judy Pink. Not pictured is senior Dan Agnew, who helped bring in many points. CENTER LEFT: Pam Basar makes her horse trot in practice. CENTER RIGHT: Kate Miller rides bareback for a change in style.

Editors Comment

As this school year comes to a close, we bring you this yearbook in an attempt to record the events that have occurred throughout the year. The yearbook requires much hard work and dedication. Therefore, we would like to thank a number of people for unselfishly donating their time and talents to bring this book to you.

Finances play a major part in the planning of a yearbook. Tom Loll acted as our financial director this past year. We would like to thank him for conducting the sales of the book, and for handling the advertising accounts. A thank-you is also in order for the many advertisers who chose to express their patronage to the students of RHS through this book.

Typing is essential in the production of the yearbook. A publication like this one requires much typing, which can be quite difficult when typewriters are functioning improperly. We would like to express our gratitude to Ernest Maule for repairing the malfunctioning machines (with the exception of our new IBM typewriter which no one is supposed to know about.)

Imagine a yearbook without pictures. In addition to the JULIET staff photographers, quite a few people offered their time and creativity to supply us with the excellent photographs which appear throughout this book. These photographers are Matt Banghart, Paul Bauer, Robert Clancy, Jenny Comann, Jack Garrard, Tim Mather, and Glen McTaggart. We would especially like to thank Jan Smith and the staff at Bill William's Studio who handled most of the film developing and printing.

Steve Carlson, our ICP representative, also deserves a word of thanks. He came to our aid whenever we experienced any difficulties in the preparation of this book. He offered his expertise to help us design this book.

The yearbook office is an extension of Erwin Slava's classroom. Mr. Slava donated the use of his room to our staff during sixth hour. We appreciate the use of the room as well as the cheerful attitude that came with it.

The JULIET staff also deserves a word of thanks. Throughout the year, they worked diligently to meet the ever present deadlines. They often gave extra time and effort to make this yearbook a reality.

We would like to thank John McDonough, our adviser emeritus, for his many hours of help and countless words of advise.

Our most sincere gratitude goes to Jennifer Foor. Mrs. Foor, our advisor, offered her patience, humor, experience, knowledge, and enthusiasm to make the JULIET not only a yearbook, but a memorable account of 1978-1979.

We would like to express our appreciation to you, the reader, and all who cooperated with us. Without you, this the twenty-fifth volume of the JULIET could not have been published.

Michael McEnroe, Kathleen Clancy, Gina Giordano
Editor in Chief — Associate Editors

Thomas Loll. . . . . .Business Affairs, Book Sales
Jennifer Foor . . .Publication Adviser

All 1025 subscribed copies of the 1979 JULIET were pasted up and printed by the staff of Inter-Collegiate Press in Shawnee Mission, Kansas. The cover is Shoegrain Brown with gold leaf applied by hot stamp process. The endsheets are Yellow Vibracolor on vellum paper. Pages 2 and 3, 6 and 7, 10 and 11, 14 and 15 are produced in four-color. 18, 24, 30 and 36 point Bodoni Bold are used for the headlines. 10 point Ronatype is used for copy throughout the book with the exception of the ad section which used 8, 10 and 12 point Newton Medium. The paper is 80 Lb. double coated enamel. The pages are trimmed to 8" x 10 5/8" and the book is signature sewn on a rounded binding. Senior portraits are provided by Bill Williams' Studio. Sophomore and Junior pictures are courtesy of Crest Photos of Royal Oak. The spot colors used on pages 182 through 207 are Process Blue No. 28 and Green No. 38.

We Did It!!!!!

"Where's my dummy?"

"You can't crop the water out of a swimming picture!"

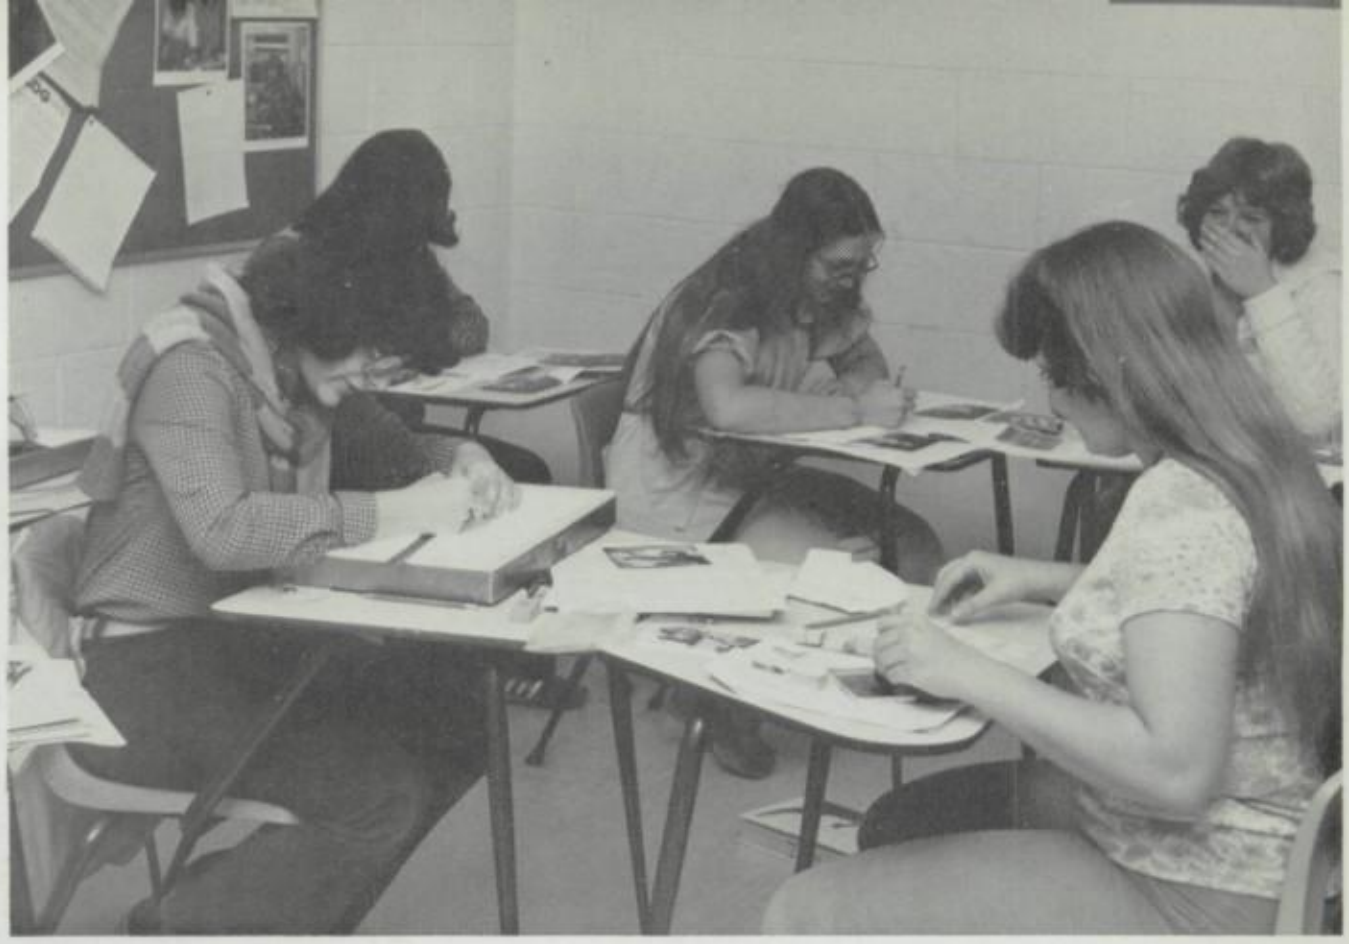
"What do you mean we 'lost' the Voc. Ed. department?"

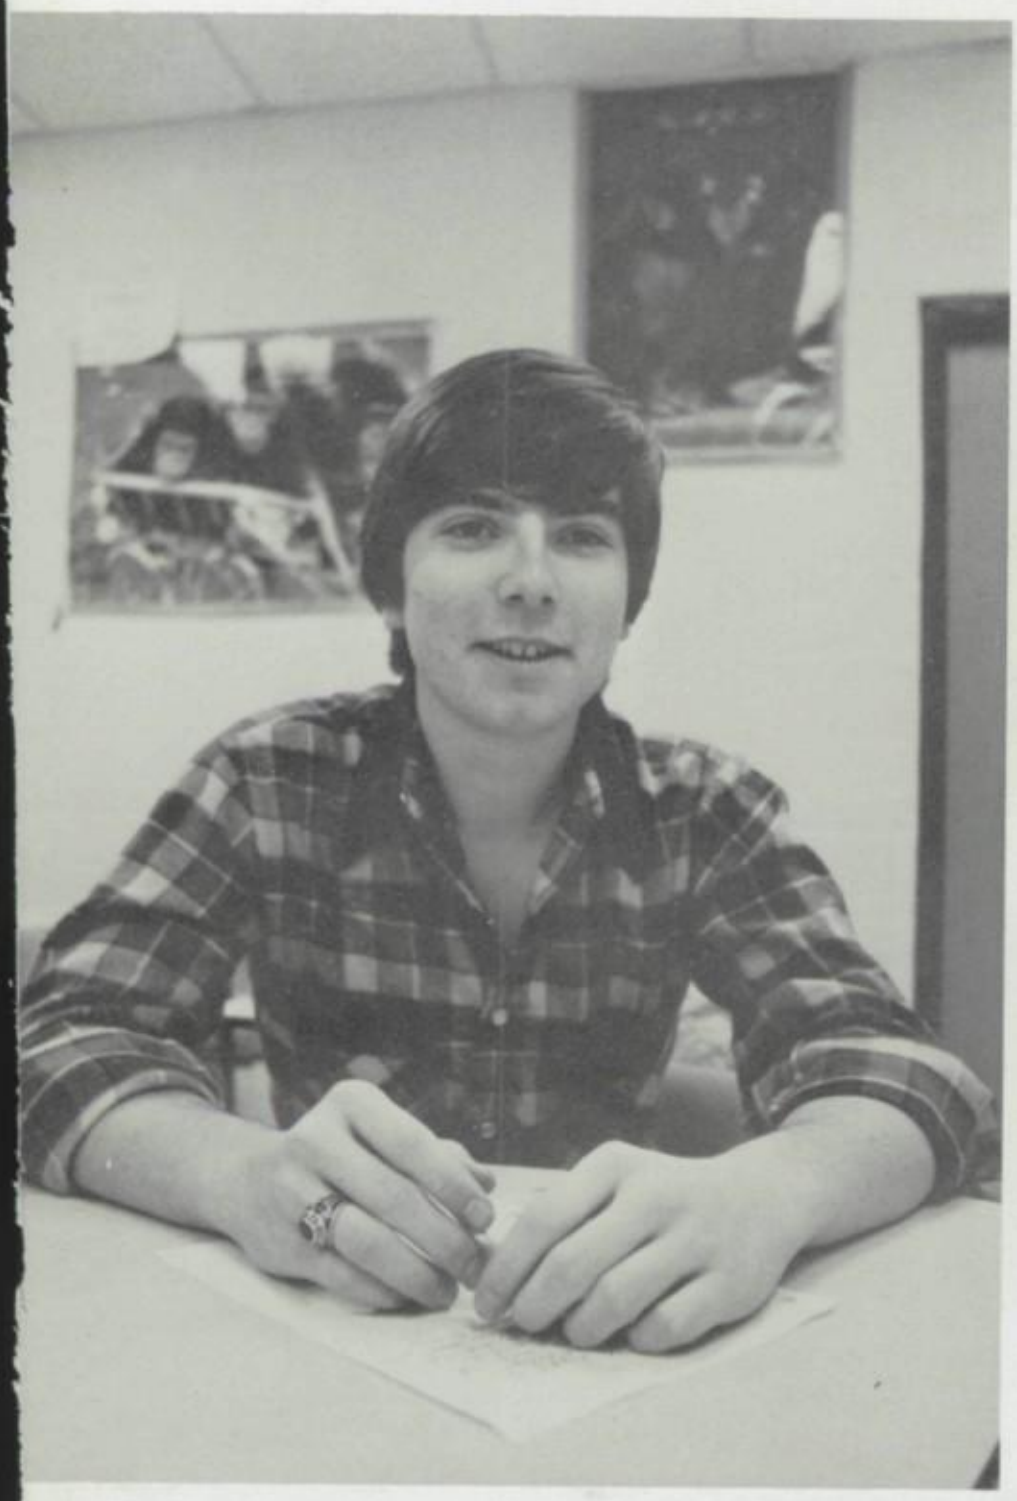
"Do you mean the editor measured wrong?"

"Mrs. Foor is trying to do a layout, quick, somebody stop her!"

"How dare Mr. Slava lock 'our' light table in the newspaper office!"

These peculiar comments and others were made by members of the JULIET staff in Room 16 during sixth hour. Even though the staff encountered many obstacles along the way the book was completed on schedule.





PAGE 138: TOP: Julie Bauer, Sharon Haldaman, Cindy Faulman and Lois Jackman work on the People section. MIDDLE LEFT: Mr. Thomas Loll, Business Manager, looks up from the yearbook ledger. MIDDLE RIGHT: Pam Mort measures a football picture. BOTTOM LEFT: Mary Schueler types on "the beast." BOTTOM RIGHT: Maureen Clancy crops a picture of the homecoming dance. PAGE 139: Mike McEnroe, Editor in Chief, writes copy for the math department pages. TOP RIGHT: Leslie Isola and Dan Burley crop candids for the sophomore section. BOTTOM: Kathleen Clancy and Gina Giordano, Associate Editors, check over the cross country pages.

EXIT

Sue,
I haven't seen you around much lately. Oh well, that's good luck on your part. Have fun this summer and tell Mark I said, "Hi." Good Luck in the future.

Love,
Tammy

Sue,
I really like you. Me-n-Bob had a great time that one night. He talks about it all the time. The night we doubled is the night he asked me to go steady. Just think if it weren't for you and Mark it might never have happened! THANKS. Your a really great girl! I wish you the very best of Luck always!

Love,
Julie Cameron

Sue,
Well how do you like knowing all the things I know about you? I hope you had a good Summer, and I hope the years to come are just as good. We really liked you. Take care and good luck.

Love "SO -"
Carolyn Lindberg

Sue,
I'm so glad that we're friends. It's been a pleasure knowing you. Have a terrific summer and a beautiful year. Remember all the good times we've had together. Love ya,
Sharon
"79"

Susie,
Your such a cutie!
We've had so many
good times. al'm
so glad we've become
good friends. al sure
we'll have a lot more
memories of our
good times! Theres
so much al have to say
but al'll save it for you
in person. al wish you
all the luck and happiness
in the world. al hope
someday al'll visit you in
Arizona!
Love,
Jody

Sue,
This year has been the
best year in my high school
years, Ilm really glad your
my friend. your a really super
nice person. Keep in Touch
Love,
Dave

Sue,
It's too bad we
don't see as much
of each other as
we used to. Please
don't get caught
doing anything
if I shouldn't do.
Take care
Love
Dave
P.S. Ilike don't open
apply to Mr Chandler's,
Mrs. Medaugh's.

Sue,
I have enjoyed
your friendship and the
Eleven comments although
past 2 years. I'm glad
you are going to
you always seem to
doing all you do
in Summer.

Sue,
It was a nice girl who
just happens to
be going with
my brother.
good luck (you might
need it!)
Chris
Medaugh

Sue
It was nice
to share one
of your classes
with you. Good
luck in your
future endeavors
